SuperVon Ein KundeThis is an excellant book. It is the first in the wonderful Bragg series. Get this book. Miranda is a

beautiful, sensitive woman from a convent in France. She comes to America to meet and marry her husband, and meets her husband's friend, a wild, half-breed named Derek. Derek falls for Miranda on the spot, and she is attracted to this rugged man but she is going to marry his friend. Together they battle each other, a passion, the wild west, an angry madman who wants Miranda for his own. This is an excellent, sensual book. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Never a dull moment Von Ein Kunde Ms Joyce certainly knows how to keep a reader enthralled from start to finish. Neither the story or the characters were predictable, which is as it should be with any good novel, romance or otherwise. I look forward to the other books in the series. Brenda, you have a new fan! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Very Enjoyable!!! Von Ein Kunde I love this book! I have read it several times. One of Ms. Joyce's best. Will keep you up all night. It is the first of the Bragg saga. After you read this you will definitely go on to read the rest which are also must reads.

Kurzbeschreibung Leaving behind the sheltered life of a French convent, Miranda journeyed to the New World and an arranged marriage to a prosperous Texan rancher. Arriving in America, the innocent European met her fiancé's friend Derek Bragg, a rough-hewn Texas Ranger, whose harsh manner and candid comments about her beauty enraged the shy miss. Although Bragg fought to deny his feelings for his charge, he knew that he was falling in love with her. Miranda, too, was struggling with her desire for her escort as they trekked across the treacherous wilderness. Drawn to the lawman--enflamed by his raw masculine virility--will Miranda sacrifice her innocence to the fire blazing out of control in her heart?

Synopsis Wrenched from a sheltered life in French convent, Miranda was on her way to the New World, betrothed by her English father to a Texas rancher she had never met. It seemed worse than a sentence of death! Shaking with fear, she arrived in America to be greeted by her fiancé's friend, Derek Bragg, a ruggedly handsome Texas Ranger, whose coarse manners and frank appreciation of her beauty enraged her. Although Bragg fought to deny his feelings for his charge, he knew he was falling hopelessly in love. Miranda, too, was struggling with new desires, and as they made their way across the treacherous wilderness, she was drawn to her protector - captivated by his raw masculine virility - so bold, so shocking...so sinfully irresistible.
