Kurzbeschreibung Seth Weinstein always knew Tina was way, way, way out of his league. Which is why hes still astonished that hes on a plane heading for their wedding in Florida. The Groom Posse has already pulled an airport prank on him and hes survived! It should be easy going from now on. But Seth has absolutely no idea what hes about to get into. A simple drink or two with the boys sparks a series of events that will pit Seth and his friends against everything and everyone imaginable, from his very powerful, very disapproving soon-to-be father-in-law to the federal government to a love-struck orangutan. Seths hope for smooth sailing is turning into a trip on the Titanic. And the water is getting deeper by the minute. From the Trade Paperback edition.
