KurzbeschreibungFrom the New York Times bestselling author of THE FIRST WIVES CLUB comes a story perfect

for viewers of ORANGE IS THE NEW BLACK. Jennifer is a smart, sexy woman who has broken through the glass ceiling to become a big-time trader in the world of high finance. When her boss is caught playing fast and loose with the regulations, Jennifer agrees to take the rap. After all, her fiancé is a lawyer with the connections to get her off. But instead of beating the charges, she ends up in a women's prison; a world a whole lot meaner than Wall Street and where her designer clothes and fancy education count for nothing. She has to learn fast if she wants to survive. The women in the prison's top "crew" are people Jennifer would never, ever have befriended on the outside, but on the inside she soon discovers that working together is the only way out.
