**Von Rose Gordon : Intentions of the Earl (Scandalous Sisters Book 1) (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Intentions of the Earl (Scandalous Sisters Book 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 2 von 2 Kunden fanden die folgende Rezension hilfreich. Don't waste your time reading it! Von reader I am glad it was free, it was pretty terrible. This book was overly descriptive, had entirely too much internal musing and was poorly constructed. The dialogues were flat and felt more contemporary

than regency. The language was simplistic and it seemed more like a first draft than a published book. The idea was quite interesting (thus the one star) so I was so disappointed that the story couldn't deliver it properly. The characters ruined it for me. They seemed unreal and at times even stupid. Overall the author has no idea how English nobility in the 19th century lived. Brilliant are the books by Georgette Heyer, Julia Quinn, and even Sylvia Day knows the difference between contemporary and historic novels writing both. 2 von 3 Kunden fanden die folgende Rezension hilfreich. Nice story and characters Von Kindle Junkie Feeling he has no other choice to regain his estate Andrew Black agrees to play a part in the Duke of Gateway's revenge against Brook Banks, although he dislikes the idea. Andrew is plagued by a guilty conscience. The story is nicely told with interesting characters. 2 von 4 Kunden fanden die folgende Rezension hilfreich. me time Von Kim Schult Good summer read nothing too heavy just right to relax and enjoy some romantic me time while forgetting reality :)

Kurzbeschreibung Will he secure his future by ruining hers, or will she ruin his plans by securing him? A new twist on the old fortune hunter plot puts an impoverished earl in a position to gain his fortune only by ruining an innocent's reputation without offering marriage. The innocent he's selected, however, has no plans to settle for anything less than marriage and will go to almost any length to secure him. With no other means for an income, the impoverished Andrew Black, Earl of Townson, makes an agreement that will put a definite end to his eight year poverty streak. But, in order to gain his fortune he must do only one simple thing: ruin an innocent young lady's reputation enough to make her flee to America. Brooke Banks isn't interested in marriage, or so she thinks. She came to London to have a good time, and that's exactly what she's doing. Widely known for her tendency to flout the rules, she suspects nothing when a handsome stranger appears on her doorstep. Thirteen days, a handful of kisses and one scandalous situation later, Andrew and Brooke will have to choose to stick to their original plans, or decide if a life together is worth the risk. \*\*\*This is a full-length novel, approx. 100,000 words. Instead, she grew up to be a writing accountant who builds and launches model rockets in her spare time! Gaining a full scholarship to a college that offered neither aeronautical engineering nor education, she majored in business administration/accounting. Not long after graduating, she realized accounting was not for her and decided to go back to school to major in secondary education social studies like she should have done to start with. Lacking one elective, she took creative writing and found what she was really wanted to do with her life: write. Specifically, historicals. Her first trilogy, Scandalous Sisters series, was all written within a year. When not tapping on the keyboard, she can be found tapping nails in boards and wrapping string around them to make a picture, building and launching model rockets, shoving her nose in a good book, camping, hiking, fishing or playing yet another game of Candyland with her young boys.
