Tolle Idee gut umgesetztVon Petra ClassenDer Protagonist Aden Stone ist ein sechzehnjhriger Junge mit mentalen Problemen.Von Heim zu Heim weitergereicht, zwischen Psychatrie und Pflegefamilien pendelnd, musste er frh

begreifen, dass er anders ist. Denn er hört nicht nur Stimmen, sondern ist im wahrsten Sinne des Wortes besessen. In ihm leben vier Seelen, die seine Handlungen kommentieren, helfen, ablenken etc. Wie soll man das jemandem erklären können, ohne für Wahnsinnig gehalten zu werden? Eben! Dazu kommt noch, dass eine der Seelen Tote erwecken kann (auf Friedhöfen ist das keine gute Eigenschaft, denn sie ist nicht abstellbar und wer wird schon gerne von Zombies verfolgt?), die andere kann in die Zukunft sehen, die dritte kann andere Menschen besessen machen/besitzen und die vierte kann in der Zeit reisen. Diese Fähigkeiten haben Aden schon oft in gefährliche, dumme und tragische Situationen gebracht, so dass er nun in einem Heim für schwererziehbare Jungs sitzt. Geführt wird dieses Heim von einem netten Ex-Sportprofi, der als Teenager selbst Probleme hatte und nun helfen will. Doch auch hier ruhen Adens Fähigkeiten nicht und Schwierigkeiten sind vorprogrammiert. Vor allem, da er Zukunftsvisionen von einer bleichen Schönheit und seinem Tod hat, ein Werwolf auftaucht - und dann ist da auch noch dieses Mädchen, Mary Ann. Wenn er in ihrer Nähe ist, schweigen die Seelen in seinem Kopf endlich. Eine faszinierende Mischung mit einer grandiosen Ausgangssituation. Ich mag den tragischen Helden und die Idee mit der schweren Kindheit. (Das habe ich bislang erst einmal gelesen, in "Die Nachtmahr Traumtagebücher") Hier wird die Idee gut umgesetzt, die Fallhöhe und die Bedrohung, die auf Aden lasten, sind stets greifbar und auch ansonsten hat mir der Stil sehr gut gefallen. Ich bin gespannt, ob Band 2 diesen Bogen weiter halten kann! Fazit: Großartiger Auftaktband! 2 von 4 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read Too Von TeensReadToo Gold Star Award Winner! Aden Stone is a sixteen-year-old boy with four souls living inside his body. One can time travel, one can raise the dead, one can tell the future, and one can possess another human being. He has spent most of his life in and out of institutions, never really making friends. He doesn't like having the souls sharing his body. A lot of problems have been caused due to Aden not being able to control the powers that the souls have. Aden soon gets sent to a ranch for troubled boys, and his first week there he meets a girl, Mary Ann. Mary Ann is the exact opposite of Aden. She has friends and he spends most of his time alone. Being around Mary Ann quiets the voices. They form a bond of friendship that neither really understands. She meets a werewolf shape-shifter and he meets a vampire princess. Two forbidden romances begin amidst the dangerous lives that the friends have found. *INTERTWINED* contains beautifully written characters that keep you entranced from page one. I simply could not put this book down until the very end. Gena Showalter's characters are an engaging and exciting group that, when woven together, form a beautiful tapestry that adults and teens alike will enjoy. If this is just the beginning of Harlequin's new teen line, then we the readers will definitely not be disappointed. We have much to look forward to! Reviewed by: Breia "The Brain" Brickey

Kurzbeschreibung Most sixteen-year-olds have friends. Aden Stone has four human souls inside him: One can time-travel. One can raise the dead. One can tell the future. And one can possess another human. With no family and a life spent in and out of institutions, Aden and the souls have become friends. But now they're causing him all kinds of trouble. Like, he'll blink and suddenly he's a younger Aden, reliving the past. Or he'll walk past a total stranger and know how she's going to die. He's so over it. All he wants is peace. And then he meets a girl who quiets the voices. Why? Mary Ann Gray is his total opposite. For her sake, he should stay away. But it's too late. . . . Somehow, they share an inexplicable friendship. A bond about to be tested by a werewolf who wants Mary Ann, and a vampire princess Aden can't resist. Two romances, both forbidden. Still, the four will enter a dark underworld of intrigue and danger but not everyone will come out alive. . . . **Pressestimmen** "Once I started reading this book, I couldn't stop.
