Verwirrendes Katz-und-Maus-SpielVon ich lese-gerneObwohl ich sicher bin, dass dieses Buch vielen Lesern gefallen

wird, gehre ich nicht dazu. Es geht um eine Hochglanz-Agenten-Geschichte. Um die High Society der Industriellen, Waffenschieber und Politiker. Die Hauptpersonen, eine angebliche Auftragskillerin und ihr "Assistent" für den neuesten Auftrag schleichen umeinander herum und keiner - auch ihre Vorgesetzten, Verdächtigen etc. stellt sich als das heraus, was er zu sein scheint. Die Fronten werden fließend gewechselt und neue Figuren tauchen ständig auf. Mir persönlich war die Geschichte etwas zu "makellos" und verdreht. Andere, die auf Abenteuer und Agentengeschichten stehen, werden das Buch mehr genießen können.

Kurzbeschreibung **VERY SEXY SPY ROMANCE** -- Winner of Romantic Times er's Choice Award for Best Romantic Intrigue  
Warning: This book contains sexy zingers, inventive use of jewelry, a dirty joke you'll remember, intrigue-out-the-ass and a hot navy SEAL body. The Woman in Black Every intelligence operative in Washington D.C. knows her name ... but little else. A tough Navy Seal with a reputation for efficiency, Steve McMillan has heard all the stories about the "world's most glamorous assassin." But nothing prepared him for the goddess in tight black leather who now stands before him. Marlena is his new assignment -- his superiors in the shadow world of secret missions want him to get information and then turn her over. McMillan is the consummate professional, but dealing with this beautiful enigma is playing with fire. To trust her would be crazy -- as crazy as following his burning desire for her to its passionate conclusion. Because there's something beyond the yearning in her eyes and the inviting softness of her lips. Dark clouds are circling around Marlena Maxwell, drawing Steve along with her into a lethal game of deception and betrayal. And perhaps the deadliest mistake they could both make would be to fall in love ...
