Kurzbeschreibung[Menage Amour: Erotic Sci-Fi/Paranormal Menage a Quatre Romance, M/F/M/M, shape-shifters, public exhibition, HEA] Raven Sanchez is a Chicago cop who has risen from the ashes of a painful past. Struggling with the disappearance of her friend, Raven seeks to find balance in her life, but everything changes when she's struck by lightning and finds herself transported to another world. Kings Savitar, Kadan and Tristan Akira have been searching for the woman who will complete their souls. Born in a world with a shortage of females, they fear that day will never come. When a goddess suddenly appears in the middle of their palace, they know she is the one they have been waiting for and claim her before she can escape. Caught in a clash of cultures, Raven must forge a place for herself in this new world. When wills collide and legacies are unveiled, can she find a way to embrace being an Arcadian or will the fires of lust burn them all to ashes? \*\* A Siren Erotic Romance
