Untypisch für Moning Von R. Natter Wer die Highlanderbücher von ihr kennt wird nach diesem Buch enttäuscht sein. Sehr oberflächlich angerissen 3 von 7 Kunden fanden die folgende Rezension hilfreich. intriguing passionate plot, enjoyable characters, and the delightful sense of humor Von Island Chick I rarely read anthologies or short stories, but since it was Karen Marie Moning I simply had to read this book--short or not--and I must say I was definitely NOT disappointed! Ms. Moning again writes a phenomenal story with a hero redeemed by love and two soulmates who find each other--which is my ultimate favorite type of storyline. This book may be short, but it is chalk full of passion, romance, adventure fantasy. The story is about a tortured soul saved by a time traveling romance writer who must break an evil spell, and has a clever and witty storyline, time travel, well written characters and a lovely bonus is that it takes place in Scotland. Interspersed in the book I also appreciated the humor and chuckled often at Ms. Moning poking a wee bit of fun at her profession and love the play on Jane's last name, and also what a hysterical name for the kitten! I do not feel bad saying that yes, I wish this had been a full length novel what with the intriguing passionate plot, enjoyable characters, and the delightful sense of humor throughout this tale, but please do not let that stop you from reading a fabulous book! Also, if you missed reading Tino Georgiou's masterpiece--The Fates, go and read it.

This is Moning at her romantic, funniest finest. Free him from his ice-borne hell . . . Stolen from his beloved home in the Highlands of Scotland, imprisoned in the Unseelie king's dark, frosty kingdom, Aedan MacKinnon endured centuries of torture before becoming the icy, emotionless Vengeance, the dark king's dispatcher of death and destruction in the mortal realm. And in his century you both may dwell . . . Aspiring romance novelist Jane Sillee has always believed that she was born in the wrong century, but she's managed to make a decent enough life for herself if only she could stop having those recurring dreams about a man too perfect to exist. In the Dreaming you have loved him . . . Haunted every night of her life by a devastatingly sexy Highlander who comes to her while she sleeps, Jane tries to write him out of her head and heart. As a child he protected her, as a woman he loves her. Now in the Waking you must save him . . . When an ancient tapestry bearing the likeness of her beloved Highlander arrives on her doorstep, Jane is whisked back in time to fifteenth-century Scotland, to the castle of Dun Haakon on the isle of Skye, where she is given one chance to save her dream lover . . . or lose him forever to the Unseelie king. Caught in a deadly game between the light and dark courts of the Fae, Jane must find a way through the ice to the heart of her Highlander. But will the love of one mortal woman be enough to defeat such ancient and ruthless immortal enemies? From the Hardcover edition.
