Spannender denn jeVon C. SchreiterEins ist mal klar - dieser Band ist deutlich spannender als die letzten zwei Romane von Suzanne Brockmann aus der Troubleshooter Serie. Wer glaubt, das Buch abends lesen zu knnen, braucht am anderen Morgen was fr die Ringe unter den Augen, denn aus der Hand legen lt es sich kaum.Dennoch braucht es

anfangs ein wenig Geduld, um sich durch das wilde Zickzack der vielen Storylines zu Beginn der Geschichte hindurch zu orientieren - aber es hilft, wenn man sich auf Brockmanns Website einen Überblick über die vielen Personen der Handlung aus den vorangegangenen Romanen verschafft. Aber dann geht das typische Brockmannrezept auf: einige der offenen Geschichten aus vergangenen Romanen werden aufgegriffen, neue kommen hinzu: Vinh Murphy, dessen Frau Angelina in "Hot Target (Troubleshooters)" ermordet wurde, taucht aus der selbstverpassten Versenkung auf, und als der Boss der hagetriebenen Faschisten des Freedom Network, Tim Ebersole, tot aufgefunden wird, fällt der Verdacht auf ihn, denn Murphy hat keinen Hehl daraus gemacht, dass er ihn für den wahren Mörder seiner Frau hält. Izzy Zanella, ein SEAL aus dem Team Sixteen, trifft auf Eden, die kleine, sie, aber durchaus nicht unschuldige Schwester seines Teamkollegen Danny Gillman, und zusammen strzen sie in einen schwindelerregenden Strudel aus Ereignissen und Gefühlen. Und dann sind da noch Decker und Sophia, und auch Nash und Tess aus Flashpoint (Troubleshooters) tauchen wieder auf... Es kommt zum Showdown mit den Faschisten, und einer von den Guten bleibt auf der Strecke, was den Rest der Gang auf den Plan ruft, um alles zu retten. Was noch zu retten ist. Und ja: wieder sind einige Geschichten noch nicht zu Ende. Diesmal bleibt die Leserin mit einem hohlen Gefühl im Magen sitzen und ordert, sofern sie noch Nerven übrig hat nach dem heißen Ritt der letzten 200 Seiten (oh ja, das Buch ist LANG!), sofort den Folgeband Dark of Night (Troubleshooters), um zu sehen, was jetzt wird!

A good book Von Susi B This book is one of Brockmann's Troubleshooters series. As always in these books, there are several storylines which are treated more or less with the same attention by the author. This time, the first one is about Vinh Murphy, a former Navy SEAL whom the Police and FBI want to find because they think he has killed his wife's murderer. Vinh himself isn't sure if he did that, since he is an alcoholic and was drunk at the time. His best friend, Hannah, wants to help him find out what happened. Another storyline deals with Eden Gillman, the pregnant 18 year old sister of Navy SEAL Danny Gillman. His colleague Izzy Zanella marries her, even though he knows he's not the baby's father. The third storyline is about several Troubleshooters characters known from previous books - all of them are deeply traumatized in one or another way. All of these characters meet in an action-packed finale. I'll have to say that I enjoyed reading this book. It's certainly not the best in the series (these are Out of Control and Gone to Far), but it isn't the worst either. The characters are interesting and as always, it's well written. Brockmann is really good at writing action scenes. But there's something that bothers me a bit. Nearly every Navy SEAL-character from Brockmann's previous books gets a job at Troubleshooters, a California-based security firm. Their partners, too, if they happen to be unemployed. All of them are so damaged and traumatized in one way or another that they need therapy. This makes Troubleshooters seem more like a charity than an enterprise. I am aware this is fiction, but some of these things require me - the reader - to suspend disbelief more than I can, and that's not an entirely good thing. This is a "good" book (Grade B)

Kurzbeschreibung Suspense doesn't burn any brighter and desire doesn't run any deeper than when Suzanne Brockmann takes the helm, opens the throttle, and takes readers along for a breathless ride as she breaks the thrill barrier again and again. With Into the Fire, Brockmann lights the fuse on her most explosive story yet. Vinh Murphy, ex-Marine and onetime operative for the elite security firm Troubleshooters Incorporated, has been MIA ever since his wife, Angelina, was caught in a crossfire and killed during what should have been a routine bodyguard assignment. Overcome with grief, Murphy blames the neo-Nazi group known as the Freedom Network for her death. Now, years later, Freedom Network leader Tim Ebersole has been murdered and the FBI suspects Murphy may have pulled the trigger. To prevent further bloodshed, Murphy's friends at Troubleshooters scramble to find him and convince him to surrender peacefully. Murphy himself can't be sure what he did or didn't do during the years he spent mourning and lost in an alcohol-induced fog. He does know he occasionally sought solace from Hannah Whitfield, a former police officer and the very friend who introduced him to his beloved late wife. But Hannah, still grappling with the deafness that resulted from an injury sustained while on duty, was fighting her own battles. For years Hannah had feelings for Murphy, and one painful night their suffering brought them together in a way neither expected and both regretted. Murphy is ready to rejoin the living. As always, he finds himself knocking on Hannah's door, and as always, his longtime friend welcomes him back into her home. Yet even as Murphy slowly rebuilds his splintered life, he continues to fight his growing feelings for Hannah. Then he learns of Ebersole's murder and comes to believe that the Freedom Network has targeted him and Hannah to avenge their leader's death with violence. Now Murphy must face the terrifying prospect of losing another woman he loves. As the Troubleshooters desperately search for him, Murphy races toward a deadly confrontation with the Freedom Network and ultimate choice: surrender his life in hopes that Hannah will be spared, or risk everything to salvage whatever future they may have together. From the Hardcover edition. Pressestimmen PRAISE FOR SUZANNE BROCKMANN Force of Nature Brockmann deftly delivers another

testosterone-drenched, adrenaline-fueled tale of danger and desire that brilliantly combines superbly crafted, realistically complex characters with white-knuckle plotting. Booklist Into the Storm Brockmann is an undisputed master at writing military and suspense fiction [with] action, danger and passion all rolled into one. Curled Up with a Good Book Breaking Point Readers will be on the edge of their seats.
