**Von R.K. Lilley : IRIS (The Wild Side Book 2) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised IRIS (The Wild Side Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. I LOVE THIS SERIES!!!!Von CassandraHere we are...desperate again!!! This books start with a desperate Dair and leaves the reader desperate to get answers at the end.Poor Dair is desperate to meet Iris again. And when he does, he's left with more secrets, lies, a twisted truth. But one thing is for sure...the heat, the passion, the fire between them is real! R.K. Lilley writes some steamy, hot scenes that leave you panting and needing a cold shower.When it comes to the story? I

have no f\*\*\*ing clue! I thought I had a clue in book one, but now I'm totally clueless! I have the feeling that things aren't like they seem to be. It's definitely messing with my head. So good and I can't wait for book 3 at the end of July! And if R.K. Lilley wouldn't be a great writer, she adds an excerpt from the upcoming book 4 in the Up in the Air series, Mr. Beautiful. What can I say? I can't wait to read it!!!

Kurzbeschreibung IRIS (THE WILD SIDE #2) ARE YOU READY FOR A TWIST? Who is Iris? Where did she come from? Where has she gone? Alasdair Masters has more questions than answers about his new, too young obsession, and when he finds out she's been lying to him, from their first meeting to their last one, he's more confused than ever about her feelings, her intentions. And what's just as confusing are his own feelings. Has he turned something purely physical into something emotional in his own head? Is any of it mutual? The only thing he doesn't question is whether he'll keep going back for more. DAIR Me, I was simple. I was order. A very neat, efficient machine that ran on nothing but air. Me plus anyone else, well, that was another matter. And me plus Iris, that was a monster of a machine, with all gears going at different speeds, some spinning off their hinges, just going mad, but it was a wonderful madness, at full throttle, misfiring in all directions. It felt wonderful and dreadful. I was breaking down, and it felt amazing. And terrifying. This book is intended for readers 18 and up.
