included almost every sort of Irish folk in this marvelous compendium of fairy tales(1892).ber den Autor und weitere MitwirkendeW B Yeats was born in Dublin, Ireland, in 1865 and spent much of his childhood in County Sligo, a place he loved and often wrote about. Yeats is often said to be a man of contradictions: he was profoundly intelligent and yet committed to spiritualism and the supernatural; he was philosophical and yet emotionally bound to a woman who did not return his devotion; he was aristocratic and detached and yet motivated by and artistically concerned with the most elementary of human impulses. In 1922 he was elected a senator of the Irish Free Republic and the following year he won the Nobel Prize for Literature. W B Yeats is remembered as an important cultural leader and as one of the greatest poets of the century. He died in 1939.
