Von Jeanette Baker : Irish Lady before purchasing it in order to gage whether or not it would be worth my time, and all praised Irish Lady:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Entertaining, exciting and enjoyableVon Ein KundeUnable to cope with the violence of West Belfast, Meghan McCarthy left to attend school in order to become a barrister. To accomplish her goal, she had to leave behind the man

she loved, IRA member Michael Devlin, who felt the same way about her. Meghan becomes famous as a successful London attorney and even marries a renowned Englishman, who has since died. No longer an IRA member, but currently a Sinn Féin leader, Michael is arrested for the murder of James Killingsworth, the man expected to be the next British Prime Minister. Listening to the plea of Michael's mother, Meghan agrees to defend him even though it seems that Michael has been set up to take the fall. Meghan and Michael soon realize that they still love each other, but can they overcome their past and an unknown enemy to explore a future together? The renowned, award-winning romance writer, Jeanette Baker, demonstrates why she is one of the best contemporary romance writers of the nineties with this poignant novel. Though a bit biased, *IRISH LADY* is a brilliantly designed mixing of a contemporary romance with a historical romance that cleverly compares the Northern Ireland problem of the late sixteenth century with the modern era. Harriet Klausner 0 von 0 Kunden fanden die folgende Rezension hilfreich. Breathhtakingly wonderful! Von CarrieABQ After reading *IRISH LADY* in one sitting, I sat down and read it again. This beautifully crafted work is much too special to be thought of as simply another romance novel. This story of Meghann, who escapes from her Belfast past to become a successful London attorney, and Michael, a former IRA soldier is both intense and ethereal. Both Meghann and Michael must come to terms with the past while securing their future together. Through the wisdom of Nuala O'Donnell, a 16th c. ancestor, Meghann reconciles herself to her heritage, her convictions, and her heart. If you are unfamiliar with Irish nationalism, one read of this book will well acquaint you with it. You'll finally understand what Bono was saying when U2 recorded "Sunday, Bloody Sunday". Though Ms. Baker does take liberties with the history of the 16th c. (which she admits in her notes), her insight into modern Irish nationalist politics is right on target. *IRISH LADY* is a truly wonderful book with realistic and vivid characters, a smart plot, and crisp writing. This is a keeper. 0 von 0 Kunden fanden die folgende Rezension hilfreich. an Irish history lover's choice of history and romance Von Ein KundeAS lover of anything Irish, and a recent visitor to Northern Ireland, I couldn't help but find myself back there again, seeing it thru the eyes of the characters of this book. The author has done a wonderful job of making the recent far past history of this very historical part of the world come alive, and combining it with a very touching love story. thanks for the good read!

Kurzbeschreibung "Wonderful...It grips from the first page to the last." Diana Gabaldon, New York Times bestselling author Two women. Divided by centuries. Each fighting to save the man they love. A successful attorney in a posh London neighborhood, Meghann McCarthy thought she'd escaped the slums of Belfast forever. Until Michael Devlin needs her help. Years before, her love for the Irish charmer had nearly torn her apart, but now he's part of a past she never wants to revisit. However, she can't leave him defenseless against a murder charge even if uncovering the truth puts her life in danger too. She'll risk everything to save Michael and she's not the first of her family to put it all on the line for a man she loves. As Meghann delves further into Michael's case, further into the history that binds them so irrevocably, she slips into the unfolding drama of centuries before...of another woman's desperate fight to free her rebel husband from the clutches of Queen Elizabeth. Stakes are high, but the reward is the love of a lifetime. And the Irish never give up. Pressestimmen "Overall "Irish Lady" is a wonderful Irish tale with intrigue, romance, historical fiction, ghosts, time slips, mystery, and grand passion. In other words, it is a riveting story. I highly recommend it." - Laura's s ""Irish Lady"" has strong characters, an interesting plot, danger, political danger, a bit of romance, and heritage. If you enjoy historical writing with paranormal twists, Ireland, the IRA, political intrigue, danger you will enjoy ""Irish Lady"" - My Book Addiction s Baker skillfully blends contemporary and historical romance with a dash of the supernatural in this large-scale tale I enjoyed it very much and highly recommend this and other works by Jeanette Baker. *IRISH LADY* is an extreme soul searching tale of the fight a woman endures through heartbreak and war to achieve the lost love of her childhood. The insights of the upheaval of the beautiful country of Ireland and its devoted families, brings to light the horrendous atrocities they were forced to endure in protecting their beloved country. *IRISH LADY* is filled with a fierce and devoted love of two people and their struggle for what they believe in. FreshFiction.com FRESH PICK 1/10/12 Baker beautifully transitions between the present and past making the story flow smoothly as you are caught up in the adventure. The story will captivate you and not let go until the end. I can't remember when I was rooting so hard for two people to have their happy ending as I did for Michael and Meghann. Another big thumbs up to Sourcebooks for finding these older books and breathing new life into them ""Irish Lady"" has strong characters, an interesting plot, danger, political danger, a bit of romance, and heritage. If you enjoy historical writing with paranormal twists, Ireland, the IRA, political intrigue, danger you will enjoy ""Irish Lady"" Overall "Irish Lady" is a wonderful Irish tale with intrigue, romance, historical fiction, ghosts, time slips, mystery, and grand passion. In other words, it is a riveting story. I highly recommend it. Obviously I loved it. Not only do you get a great perspective of history, the flight of the earls and the IRA through the novel, but you get to meet two characters that are just amazing. The love story is magical - in both centuries - and the characters compelling. This author has not steered me wrong yet and I wouldn't hesitate to recommend her books and especially this one to any of my friends."
