Kurzbeschreibung For Commandant Verhoeven life is beautiful: he is happily married, expecting his first child with the lovely Irne. But his blissful existence is punctured by a murder of unprecedented savagery. Worse still, the press seem to have it in for him - his every move is headline news. When he discovers that the killer has killed before - that each murder is a homage to a classic crime novel - the fourth estate are quick to coin a nickname... The Novelist... With both men in the public eye, the case develops into a personal duel, each hell-bent on outsmarting the other. There can only be one winner - whoever has the least to lose... Pressestimmen 'Quirky, brutal and not for the faint-hearted, it is crime fiction of the highest class ... Superbly constructed and executed, it puts Lemaitre very close to Ellroy's class. If you pick it up, you won't be able to put it down' -- Geoffrey Wansell Daily Mail 'Ir ne, Pierre Lemaitre's first novel, will be the book that people will remember in years to come. Intelligent and engrossing, it's a worthwhile read primarily for that sense of amazement that will have you flicking back through pages looking for the mirrors or trapdoors, but also because of the mystery itself. A crime novel for genre fans penned by a man who is obviously a fan himself' Reader Dad 'A unique and gritty novel firmly placing Lemaitre as one of the most talented authors writing in the genre' Upcoming4me 'Fans of the legendary Derek Raymond will love this gem' Sunday Sport 'Gripping, frightening, intelligent and brilliant' Marcel Berlins, The Times 'Having now read two of his books I am even more impressed by the writing of Pierre Lemaitre, and am already looking forward to the third book being released in English' A Book Worm 'Ingeniously plotted, deftly mixing dark and comic scenes, introducing the detective's team with panache' -- John Dugdale Sunday Times 'Ir ne builds on the considerable promise of Alex and confirms Camille Verhoven as one of the most intriguing protagonists to emerge in crime fiction in recent years' -- Declan Burke Irish Times 'Thrilling ... with a page-turning race to a grand-slam finish' Laura Wilson, Guardian. Guardian Werbetext The first book in the acclaimed Brigade Criminelle Trilogy, reissued in a stunning new package to tie in with Lemaitre's standalone thriller Blood Wedding
