Von Susan Mallery : Irresistible (Mills Boon MB) (The Buchanan Saga) before purchasing it in order to gage whether or not it would be worth my time, and all praised Irresistible (Mills Boon MB) (The Buchanan Saga):

KundenrezensionenHilfreichste Kundenrezensionen4 von 4 Kunden fanden die folgende Rezension hilfreich. Teil 2 der Buchanan-Reihe ist eine nette, aber keine auergewöhnliche RomanzeVon LoveLetter MagazinAls allein erziehende Mutter strampelt sich Elissa Towers tagtglich ab, um ber die Runden zu kommen. Lngst bereit sie, als Teenager ausgerissen zu sein und sich mit einem Drogenschtigen eingelassen zu haben, der sie noch immer aufsucht, sobald er Geld braucht. Um ihre Tochter vor ihm zu schtzen, gibt sie stets klein bei. Untersttzung findet sie in einer lteren Hausbewohnerin. Den Mnnern hat Elissa seither abgeschworen. Doch ihr neuer Nachbar bringt diesen Entschluss gehrig ins Wanken. Walker Buchanan ist gerade aus dem Militrdienst ausgeschieden, die schwere Zeit hngt ihm noch nach. Er ist alles andere als auf der Suche nach einer Frau. Aber fr Elissa, die weiterhin betont, dass sie gut allein

zurechtkommt, hegt er bald beschützerische Gefühle. Da bringt Walkers gemeine Gromutter sie in Schwierigkeiten ...Während sich "Delicious" witzig und charmant präsentiert, ist dem zweiten Teil der Buchanan-Reihe eine solche Leichtigkeit nicht anzumerken. Es blitzt durchaus immer wieder Humor hervor, besonders in den Szenen mit Elissas betagter Nachbarin. Der Grundton der Story ist aber in viel ernsterem Ton gehalten. Elissa ist eine bewundernswerte Person. Sie beeindruckt durch ihre zupackende Art, dass sie sich von kaum etwas unterkriegen lässt. Schwäche zeigt sie nur im Umgang mit ihrem Exfreund, was aber gut erklärt und dadurch verständlich wird. Walker übernimmt den Part als Retter in der Not perfekt. Ihre Romanze ist nett, ihr fehlt jedoch etwas Außergewöhnliches, um sich von ähnlichen Geschichten abheben zu können. Mal sehen, ob Susan Mallery in den letzten beiden Bänden wieder zu Hochform aufluft. (TD)0 von 0 Kunden fanden die folgende Rezension hilfreich. A good readVon Jen RIrresistible was a good read. I have been reading the authors Lone Star Sisters series and loving it so I was hoping for something just as good. I wanted the fun storyline and characters I can't help but love. It was a good read, but something was missing to make it a great read. I enjoyed it, I liked everyone, it was just missing that extra oomph to make it amazing.Elissa is a single mom who has not have the best of luck with men. She always makes terrible decisions where they are concerned so she is determined to not date until her daughter is out of the house. Yeah, until she is 18 at least. Which is understandable, but not really realistic in this situation. She made some poor decisions when she was younger that lead her to not have contact with her family and really when that all came out I thought oh honey. You are just wanting to believe the bad instead of actually trying to fix things. Family dynamics are complicated, but I didn't really connect with all of the characters as much as I would have liked. Therefore I didn't care as much as I could have.Walker is an ex-marine who is living upstairs from Elissa for a little while. He just got out of the military and is not sure what he wants to do with his life now. He doesn't want to get involved with anyone as he thinks he is just not cut out for that. He was a good guy though and quickly became friends with both Elissa and her daughter. The more time they spend together the harder it is to stay apart. They both like the other so can they both figure out how to make this work?As I said it was a good read. There was nothing wrong with it, but it just wasn't as good as most of the authors other books. Nothing that made me want to go read the rest of the series. It was fine, I liked everyone I just didn't love everyone. I don't know what was missing as it was still set up like the other books, but something was. A good read, a light read, but not my favorite from this author.This review was originally posted to Jen in Bookland0 von 0 Kunden fanden die folgende Rezension hilfreich. Bezaubernder zweiter Teil der Buchanan SerieVon Marina G.Als Walker Buchanan, ein Ex-Marine, seine neue Nachbarin Elissa kennen lernt fliegen sofort die Funken, doch der verschlossene Mann sucht weder eine Ehefrau noch eine Beziehung. Auch Elissa will keinen neuen Mann in ihrem Leben, zu oft wurde sie schon enttäuscht. Trotzdem entsteht zwischen den beiden eine enge Bindung, die sich zu einer großen Liebe entwickelt. Doch gerade dies will Gloria Buchanan, Walkers Gromutter, verhindern. Sie erpresst Elissa mit ihrer Vergangenheit und droht ihr ihre Zukunft zu zerstören, wenn sie nicht sofort aus Walkers Leben verschwindet!Kaum hatte ich das Buch erhalten, habe ich sofort zu lesen begonnen und es hat sich gelohnt. Susan Mallery knüpft mit diesem Buch nahtlos an den ersten Band an und präsentiert wieder eine wundervolle Liebesgeschichte verpackt mit herzerweichenden Personen und erotischer Spannung. Eines meiner Lieblingsbücher!Das Original hat einen mitreisenden Schreibstil, wie schon der erste Band, und ich hatte kaum Probleme mit englischen Vokabeln. Auch für Leserinnen zu empfehlen, deren Englisch eher mittelmäßig ist.Teil 1: DeliciousTeil 3: SizzlingTeil 4: Tempting

KurzbeschreibungWhen ex-Marine Walker Buchanan stops to help Elissa Towers change a tire, he tells himself it's just the neighborly thing to do.And when Elissa finds herself baking him a thank-you pie, she's just returning the favorright? Both of them have sworn off datingElissa's determined to protect her little girl, and that means ditching her taste for dangerous men especially former Marines with dark secrets.Walker knows that he's not cut out for hearth and homehis own crazy family made sure of that. But the sparks won't stop flying between them. Now the two are struggling to keep their relationship "just friends," but with every kiss, their rules fly out the windowFrom Publishers WeeklyMallery is at her addictive best in the charming second installment of her Buchanan family saga (after Delicious), focusing on emotionally disconnected elder sibling Walker. Returning to his Seattle home after 15 years with the Marines, Walker holds a number of secrets behind his handsome eyesincluding the loss of his first love to breast cancerand has already sworn off women when he offers to help his pretty neighbor Elissa Towers change a tire. Single mom to five-year-old Zoe, Elissa has also sworn off dating, despite her daughter's desperation for a father and her own unfulfilled sexual needs, but is drawn to Walker's strength and stoicism. Dedicated entirely to raising Zoe, Elissa plans to keep her involvement with Walker strictly imaginary ("Only thirteen more years... Then I can have sex again"), but thanks to prying family and neighbors, the two are pushed together. Soon, they're playing therapist for each other, salving old wounds and sparking love between them. Though short on conflict, the bestselling author crafts vivid characters and a winning story about the risk and joy of second love, studded with warm, alluring sex scenes. (July) Copyright Reed Business Information, a division of Reed Elsevier Inc. All rights reserved.From BooklistAs a single mom, Elissa Towers has had to make it on her own, but now her car is falling apart, and the tires are worn thin.

When Elissa's reclusive neighbor, Walker Buchanan, buys her new tires, she pays him back with baked goods, and soon Walker is eating dinner with Elissa and her daughter. He is attracted to spunky Elissa, but he is on a mission to find the girlfriend of a buddy in the service who took a bullet for him. As part of the Buchanan restaurant empire, introduced in *Delicious* (2006), Walker has no need for money, but he worries about Elissa's finances while she frets about making up with her parents. Mallery has written an emotionally charged story of two people who are perfect for each other but need to get past their personal demons before they can forge a relationship. This is one book that lives up to its title. Shelley Mosley Copyright American Library Association. All rights reserved
