KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. verrry erotic and exciting 2nd book in this series!!!Von Bianca @BJsBB4.9 StarsThis second book starts off where the first one ended.Isadora has been 'taken hostage' by Elias. He could've and should've killed her already, but he hasn't.

Why? They used to be in love eleven years ago. For six months, she was his whole life. And then, just like that, she was gone. And now he has to find out that she's part of the Vampire-group that he's been created to destroy?? Also, still very much in danger is our darling Leo. Alasdair and his ancient are not yet finished with him (is that a good or a bad thing you might ask?!) but he might be able to help them find Isadora... WHAT WILL HAPPEN TO ISADORA ELIAS?? AND TO ALASDAIR LEO?? WILL THANOS SURVIVE? WILL ANY OF THEM HAVE A CHANCE FOR A HEA?? WILL THERE BE A HORRIBLE CLIFFHANGER? Ok - no big Cliffhanger! But we need #Thanos ASAP! A great second book in this new series. Book #1 ended really Cliffy-ish and I just had to know what was going to happen to Alasdair Isadora Thanos and their not-so-human humans.... Leo, Elias Paris. This book was VERY erotic and super-exciting ... You want them all to survive and find their Happy Ever After... But they're Vampires and Vampire Killers - so it's not all that easy.. Even though this book is called #Isadora, it's about all of the 'Cousins' - not just about Isa and her ex Elias and her ancient Diomds, Leo, Alasdair Vasilios's story is not yet finished, and Thanos with his ancient Eton and his not-so-human Paris get started with their story... I really enjoyed this book! A definite #MustRead for fans of very erotic paranormal romances with lots of M/M love and even a few F/F fantasies.... 0 von 0 Kunden fanden die folgende Rezension hilfreich. THIS!!!! OMG!!!! So much..... Von Cassandra THIS!!!! OMG!!!! So much love, so much devotion, so much trust, so much loyalty, so much heartbreak, so much hotness!!!! And this ending? NO NO NO!!!! Bad cliffhanger! Where Alasdair had a hot teasing one, this broke my heart. I hope it's not happening... it can't! Isadora continues where we have been left hanging in Alasdair. We get to know the story of Isadora and Elias and their very obvious chemistry. PHEW! We also learn more about the mystery that are Leo, Elias and Paris. But even with questions answered, some things are still in dark. We also get to know the back story between Isadora and her sire Diomds. It's a story that will break your heart. It will leave you speechless. With the amazing writing skill of Ella Frank, the way she is able to describe things so vividly, it will make you cringe and on the other make your blood boil with rage. Their story is different than Alasdair's and Vasilios'... it's so much deeper than just physical attraction. It's about deep love and devotion and loyalty and protection. We've heard before that Isadora is loving men and women. So be prepared for some very sensual f/f action that leaves you breathless (even if f/f isn't your thing). Next to Isadora's story and the whole thrilling story, of course we also get to see how Leo, Alasdair and Vasilios are doing. And DAMN are they DOING IT! Wet panties included! And let's not forget the third cousin... Thanos. *weeping* If you remember the thing that happened to him in Alasdair and the things we learn in Isadora, you know that his book will break your heart in a different way. Throw in Eton and Paris and THAT END and it's going to have me in a puddle of emotions for sure. I better already order a huge box of tissues! Ella Frank continues her amazing series writing. Everything connects again from Alasdair. All the things I praised her for in Alasdair (see review here http://www..de/review/R1OIQR95EEYYLB/ref=cm_cr_dp_title?ie=UTF8&ASIN=B0122DD7HU&channel=detail-glancenodeID=530484031&store=digital-text) is also true for Isadora. Ella Frank has the gift to draw you right in again into the story. All the feelings and storylines come right back to you and captivate you again. I really can't believe how truly amazing and talented she is and the way her writing leaves me speechless time and time again.

Kurzbeschreibung A TRAGIC BEGINNING Isadora Nikitas understands what it means to be betrayed. That lesson was taught to her in the prime of her life, and when she is offered a chance to exact revenge, she finds it difficult to refuse. Instead, she entrusts her survival to a mysterious vampire known only as Diomds, a male who wants nothing in return but to watch over her in every way imaginable. Gifted with speed, strength, and immortality, she determines that her life will no longer be governed by the needs and wants of a mere man. She has cowered for the last time, and with her Ancient by her side, she thrives and blossoms into the most formidable female vampire in existence. But, once upon a time, like all little girls, Isadora believed in love. She believed it because she once had it. So, when it comes along a second time, she knows that it's possible but when you love someone, they become your weakness. Unless, in fact, they become your enemy instead. A MYSTERIOUS PAST Fulfilling your life's prophecy should be empowering. At least, that's what Elias Fontana always believed. But, as he stands guard over the beautiful vampire he's taken hostage, his convictions start to crumble. Made to believe by his creators that he and two others have been designed to destroy a dangerous race, he has difficulty connecting his current reality to the woman he once loved. A TANGLED TALE TO UNRAVEL When friends become enemies and enemies become lovers, who can you trust in the webs of lies and despair? And, when your life is at stake and blood has been shed, how much are you willing to sacrifice to fulfill your destiny?
