KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great inspirational romanceVon Ein KundePure Romance on romantic Sanibel Island. I have vacationed on this beautiful island on Florida's west coast. This story is about a young woman (Bree) who's love for God and love of life revitalize Sanibel Island and Cody (an ex-cop from Tampa) finds the love that he lost when his police partner died. If you love romance and God, you'll love this story.

Kurzbeschreibung Bree is the ultimate free spirit. And when she lands on Sanibel Island, ex-cop Cody North has no idea what to do with her. She turns his life upside down while charming everybody around her. But Bree has a secret that could put her...and everyone at Island Breeze in danger. From Library Journal Running is Bree Trehearn's only hope if she is to escape from a man who wants her dead after she found incriminating information on his hard drive while fixing his computer. When she arrives on Sanibel Island in Florida, Bree meets ex-cop Cody North and moves into his vacation condo complex. The two soon bond, and Bree's heartfelt religious beliefs make Cody rethink his own lack of faith. When Bree disappears, Cody's feelings for her compel him to find her no matter what it costs. More of a romance than a thriller, Bullock's (Dalton's Dilemma, Multnomah, 1998) entertaining story is a light, quick read, making it a perfect beach book.
