Superb!Von Ein KundeAs time draws near, the noose tightens, etc, etc, etc, anyways Bruce aka Nicklas realizes his brother is clearly onto him and his fatherly will also soon find out his secret, so he decides to try and sneak out while

Devora goes ahead of him on another ship, but before he can quite get out of harbor the cannons are drawn on him and his ship sinks, and of course his father finds him out. After being forced into hard labor, Bruce still patronizes his father and still seeks his revenge, though in a more silent way. But with revenge comes a new understanding that revenge is bittersweet and doesn't always have the desired affect. Linda ends her Trade Winds trilogy with dynamic gusto and flair. As good as all the other 2 books were, what with the first meeting, and then the recognition, I felt that the conclusion of the trilogy was the best! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Devora and Bruce are finally together. Von Ein Kunde The romance, faith, bravery and nobility that only knowing Christ can give is shown wonderfully in this book. You won't be able to put it down and it will challenge you to live to your true potential regardless of the cost. Great book and series!!!! 0 von 0 Kunden fanden die folgende Rezension hilfreich.
