ROMANCE. The story focuses on; HANNAH, a sexy, sassy, blue-eyed beauty and sailor; KYLE, the strikingly gorgeous and sultry businessman from New York. What you'll find in this story; a cast of remarkably impressive and engaging characters, spectacular story-line, picturesque and powerful vivid scene descriptions, phenomenal banter, camaraderie, family love, emotions spiral, earth-shattering toe-curling sensual romance, and a heart warming conclusion leaving you wanting more. Kyle is vacationing alone on the remote gorgeous Island of Maupiti to win a bet that he can stop his workaholic behavior by not using internet, phone, or other electronic means of communication. He has left his younger brother in charge of their family business. Being alone Kyle is in need of a diversion to keep himself occupied. Hannah's dream is to sail the Pacific; she was lucky to get a job on the Windfall cooking, help sailing and cleaning. Hannah has fantasies of having her own yacht to sail, and wants a man that is rugged and casual, not someone like Kyle who looks like he could model for GQ. Hannah's and Kyle's first few encounters are rocky; Hannah not appreciating his offers to help her do things that he believes a man should do, insulting her womanly pride. When they finally call a truce and get together a romance flourishes, leaving them both thinking what happens when its time to move on? Hannah to her dream and Kyle back to the dull life of business...FANTASTIC-fast paced well written read by a truly gifted author. The author does not disappoint the reader as the intriguing plot, exhilarating dialogue, and breathtaking scene descriptions keep you glued to the story from start to finish. It was easy to visualize the beauty of Maupiti and the fun that Kyle and Hannah had together; their romance sizzles and is filled with unwavering devotion. I enjoyed this story, a most gratifying read. If you treasure fantasy romance this is certainly a terrific book for your library. {I was gifted this book and this is my completely honest review}. In the world of fantasy romance the possibilities are endless and always fascinating. Without reservations I recommend this book.

Kurzbeschreibung Love in a tropical paradise too good to be true? Hannah Klein is living a fantasy in the South Pacific: swaying palms, sunny skies, and an aquamarine lagoon that puts travel posters to shame. In two weeks, she's scheduled to set sail on the voyage of her dreams hardly the time to be thinking forever about the guy she just met. So what if he happens to be sweet, soulful, and absolutely succulent? The closer they get, the more Hannah suspects that Kyle's the one. But is any man worth trading in her dreams for? Kyle Stanton has it all: a stellar career, an exciting life in New York and a bet to win. He has to endure two weeks on remote Pacific island with no phone, no email, no Internet. He's looking for distraction, not a long-term relationship. But there's something special about Hannah, and Kyle can't hold back. When the time comes to say goodbye, will he really be able to let her sail away? * This is a travel romance with adult content. The perfect read for fans of tropical islands, romantic escapes, jungle adventures, tropical beach vacations, and comedy romance and of course pirates, swashbucklers, and rakish rogues! * Kurzbeschreibung Love in a tropical paradise too good to be true?
