**Von Aldous Huxley : Island** before purchasing it in order to gage whether or not it would be worth my time, and all praised Island:

KurzbeschreibungIn his final novel, which he considered his most important, Aldous Huxley transports us to the

remote Pacific island of Pala, where an ideal society has flourished for 120 years. Inevitably, this island of bliss attracts the envy and enmity of the surrounding world. A conspiracy is underway to take over Pala, and events are set in motion when an agent of the conspirators, a newspaperman named Faranby, is shipwrecked there. What Faranby doesn't expect is how his time with the people of Pala will revolutionize all his values and to his amazement give him hope. *Pressestimmen* A mirror for modern man. . . . Should be read and reread. (Saturday ) *Pressestimmen* A mirror for modern man. . . . Should be read and reread. (Saturday )
