Unique Von Sunne This is....well, I don't know what it is ;) despite it's a really good book. I mean, I've read it in one day. I've devoured it. Do I know how to explain it's allure? No, not really. I think I've probably fallen for the General....not that I ever had a chance because his life rotates around Gabriel when he is not taking care of a crisis. Yes, he is back in the saddle of crisis management. He has to get two young men out of a Tunesian jail. The way he is working is intersting. The way he is only complete when the Horse-Lord is with him was shown in such a subtle way. Of course the additional characters are also well drawn, I loved to see Kim and Billy again, especially Kim shines brightly. The relationship between the General and the Horse-Lord is an established one, with mature MCs. I loved this. It gives the story a deep quality, a trust and confidence. There are a lot of quoteworthy moments in the story, like when Eli explains to John why he doesn't want people to know what had happened to him or when John explains Kim about the nature and the purpose of a soldier. It is a good book, a unique one. Read it...but read "The General and the Horse-Lord" first in case you haven't already. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Groartiges Buch Von B. Wissner Dieses Buch hat mir, wie auch sein Vorgnger, sehr gut gefallen. Ganz abgesehen von dem interessanten Plot (habe Al-Jazari gegoogelt, um mehr Hintergrundinformationen zu bekommen, so faszinierend fand ich die Geschichte) finde ich es einfach erfrischend, ber ein gestandenes Paar zu lesen, das sich seiner Zuneigung absolut sicher ist. Wirklich schne Geschichte; absolut empfehlenswert.
