reads I had in along time.

Kurzbeschreibung A smart, kick-arse Urban Fantasy from a new master of the genre. The Getaway God is the sixth book in the fantastic Sandman Slim series. Sandman Slim must save himself and the entire world from the wrath of some enraged and vengeful ancient gods in this sixth high-octane adventure in the New York Times bestselling series. Being a half-human, half-angel nephilim with a bad rep and a worse attitude not to mention temporarily playing Lucifer James Stark aka Sandman Slim has made a few enemies. None, though, are as fearsome as the vindictive Angra Om Yathe old gods. But their imminent invasion is only one of Stark's problems right now. LA is descending into chaos, and a new evil the Wildfire Ripper is stalking the city. No ordinary killer, The Ripper takes Stark deep into a conspiracy that stretches from Earth to Heaven and Hell. He's also the only person alive who may know how to keep the world from going extinct. The trouble is, he's also Stark's worst enemy . . . the only man in existence Stark would enjoy killing twice. Pressestimmen Sandman Slim is, by far, the toughest-talking, snappiest, fastest verbal gun of contemporary literature, and his voice is such an unvarnished pleasure that they makes these books into treats without parallel. (Cory Doctorow on THE GETAWAY GOD) Once again, Kadrey shows us why he's a voice to watch in the sarcastic first person dark urban fantasy genre (aka the First Person Snarker).
