Von Anne Kelleher : The Ghost and Katie Coyle (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ghost and Katie Coyle (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Great ghostly romanceVon Ein KundeIn 1799 off the coast of Massachusetts, Derry O'Riordan fails to break out of his

chains as the ship he sails sinks. His younger brother risked everything for a free Ireland, but the revolt failed. The English convicted his brother and sent him to sail on this slave ship to spend time in an overseas prison community. Derry knew his sickly sibling could never survive. In addition, the lad has a family. The noble Derry replaced him on the sinking vessel. As he nears death, Kerry vows to find his beloved Annie even if it takes eternity to do so. In 1998, Katie Coyle arrives at Cape Cod's Pond House where she will live for the next two years while teaching at East Bay. Katie meets Mary Monahan who tells her about the ghost and the nearby energy stones. When Katie encounters Kerry the ghost inside the circle of stones, she believes he is an overseas friend visiting Mary. As Kerry and Katie fall in love, he realizes the futility of it all even as she begins to conclude he is not just from Ireland. **THE GHOST AND KATIE COYLE** is a spirited otherworldly romance that sub-genre fans will find very entertaining. The story line moves rather quickly with the subplot of college politics adding an earthly anchor. Though likable, the lead couple is the typical star-crossed lovers that populate these tales. The support cast provide a depth and a Cape Cod unique-feel to the plot. With this novel and the enjoyable **A ONCE AND FUTURE LOVE**, readers will feel that Ms. Kelleher is rapidly ascending to the pinnacle of the supernatural romance field. Von Ein Kunde I loved this heroine, Katie Coyle, and was so glad that she found someone better than the stuffed-shirt boyfriend she starts with. When sexy Derry O'Riordan shows up, there's no contest. Her dreams become filled with a heat and energy Mr. Stuffed Shirt could never ignite. It's only a matter of time before dreams of Derry turn into realtime mating dances within the mysterious circle of Stones which stand in the woods behind Katie's charming new home. The irresistible visitor from Ireland always seems to be waiting for her when she walks through the forest... but a few things don't add up. Who is he, really? And why is he so curious about a 19th century nobleman from Ireland who disappeared mysteriously? Some local intrigue at the college where Katie teaches, along with transoceanic help from her twin sister in Ireland, move this plot along and makes for a fascinating story. Don't miss the hot connection between this cool ghost and Katie Coyle. It's a winner.

Kurzbeschreibung A cry for help, echoing across the centuries, inspires a young teacher to rewrite history and rediscover a passion she only dreamed about Life is good for Katie Coyle. She's delighted with her new position as a professor of Irish literature and history, and enchanted by the old cottage on the cliff overlooking a beach that she now calls home. But she can't shake the feeling that something or someone else calls the cottage home, and that in the night, echoes of an anguished voice calling for help haunt the beach below. When Katie first meets Derry O'Riordan, an Irishman claiming to study a set of standing stones in the middle of the woods, she takes his story at face value. But when her life is threatened and her job is jeopardized, Katie realizes that more is at stake than just the confirmation of a fascinating historical footnote. In the end, a man's honor, the truth, and her own life hang in the balance. **PRAISE FOR THE PARANORMAL ROMANCES OF ANNE KELLEHER** What a fascinating book! Packed with energy and intrigue! Amy Wilson Literary Times Anne Kelleher knows how to draw a reader into a story. The writing was great and the imagery was vivid. Highly recommended. Kelleher excels at painting strong visuals through her masterful blending of just the right few words. Brava, Anne! I enjoyed everything about this story. Great, quick read, enjoyable details, and interesting plot. Look forward to reading more from this author. What a delicious surprise this story is! I lost myself in the well-developed characters. I felt like they were old friends. I could picture each moment, thanks to the author's vivid descriptions. **THE GHOST AND KATIE COYLE** is a spirited otherworldly romance that sub-genre fans will find very entertaining. I had a lot of fun with this one. The place.. Pond House... is a real house... just not on the New England coast. I took a few liberties with the setting, but everything is basically just as I've described it. There's even a ghost, only not one quite so dashing as my Lord Derry. I hope you have as much fun with this book as I did!
