Romantic SuspenseVon CustomerIch habe das Buch im Weihnachtsspecial fr Kindle fr 0,99 Euro gekauft und

eigentlich nicht viel erwartet für den Preis. Und dann habe ich es fröhlich verschlungen an einem einzigen Urlaubstag, weil ich unbedingt wissen musste, wie es ausgeht. Über den Inhalt will ich nicht all zu viel verraten, aber die Zutaten sind genau die, die es für einen anständigen Romantic Suspense Thriller braucht: eine Polizistin als Hauptfigur, ein attraktiver Kollege, ein verlassenes Herrenhaus, ein paar Geister und ein Serienkiller, der es auf die Hauptfigur abgesehen hat. Ich habe die englische Fassung gelesen und jeder, der tiefschürfende Literatur sucht, der ist mit diesem Buch falsch beraten. Wer jedoch auf der Suche nach einem Krimi mit einem Schuss Romantik für den Strand ist - dies ist genau das richtige Buch! Und auf keinen Fall vom Anfang abschrecken lassen, das Buch fängt schrecklich platt an - nach dem ersten Kapitel beginnt dann der richtige Krimi. Have fun :-)) von 0 Kunden fanden die folgende Rezension hilfreich. Nice Von Yvonne Plum Nice story with really interesting characters. But not utterly convincing for someone like myself, who is fascinated by, but does not really believe in, ghosts. A good read, nevertheless. Some spoilers following. So, if you want to read the story, stop RIGHT HERE!!! :-P---Too many unanswered questions, like why the two of them were somehow bound to this house and these people? A long time had passed between their deaths and nowadays. Where were they in between? Why is Annie linked to Alice? Why does the "Monster" (in order to spoil as little as possible) link to a certain person in the community, who isn't really evil himself, either?---I could probably come up with more questions, but even these few leave me crying for answers. So: A good read - Yes. A nice story - yes. But a little short on detail and background.

Kurzbeschreibung A perfect story to read now the colder weather is drawing in - Books by Claire Do you believe in ghost stories? I'm coming to find you, ready or not. There's not much that scares Annie Graham. Not even the horrors she has witnessed during her years on the police force. When she agrees to look after her brother's farmhouse, she finds herself drawn to the crumbling old mansion in the woods nearby. But an innocent exploration of the empty ruin and the discovery of the diary of former resident Alice leaves her more than a little spooked. She knows it holds the secrets to a dark past, and she has to find out more. What was the terrible truth that Alice uncovered? And how could what happened to her over 100 years ago help solve the murders of young women in the town? Annie needs to stop the serial killer before she becomes his next victim but the past comes back to haunt her in ways she could never have expected. A haunting crime thriller that will keep you on the edge of your seat. Look out for more from Annie Graham 1. The Ghost House 2. The Secrets of the Shadows 3. The Forgotten Cottage 4. Librarian Lavender über den Autor und weitere Mitwirkende HELEN PHIFER lives in a small town called Barrow-in-Furness with her husband and five children. She has lived in the same town since she was born. It gets some bad press but really is a lovely place to live, surrounded by coastline and not far from the Lake District, where she likes to spend at least one of her days off from work. She has always loved writing and reading and loves reading books that make the hairs on the back of her neck stand on end.

Unable to find enough scary stories to read, she decided to write her own. You can contact or follow Helen on her blog at [helenphiferblog.wordpress.com](http://helenphiferblog.wordpress.com), her website at [www.helenphifer.com](http://www.helenphifer.com) and on Twitter, @helenphifer1.
