Von Craig Russell : The Ghosts of Altona (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ghosts of Altona (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. SchnVon M. WEITZELGut zu lesender und insgesamt recht schner "Thriller", obwohl insgesamt nicht allzu thrilling.Witzig ist es, wenn man in englischer Sprache das Innenleben deutscher Polizeibeherden erzht bekommt.

Schmunzeln musste ich auch bei so manchen Formulierungen, die man im Englischunterricht anstreichen würde, weil sie allzu deutsch klingen.

Kurzbeschreibung As head of the Polizei Hamburg's Murder Commission, Jan Fabel is used to dealing with the dead. But when a routine inquiry turns violent and takes him to the brink of his own death, he emerges a changed man. Fast forward two years, and Fabel's first case at the Murder Commission comes back to haunt him. Monika Krone's body is found at last, fifteen years after she went missing. Monika - ethereally beautiful, intelligent, cruel - was the centre of a group of students obsessed with the gothic. Fabel re-opens the case. What happened that night, when Monika left a party and disappeared into thin air? When men involved with Monika start turning up dead, Fabel realizes he is looking for a killer with both a hunger for revenge and a taste for the gothic. What he doesn't know is that someone has been aiding and grooming a deranged escapee as his own, personal tool for revenge. A truly gothic monster to be let loose on the world.

Pressestimmen The Ghosts Of Altona is a confidently unsettling crime novel that subverts expectations with a joyful intelligence. The National In Jan Fabel Russell has created one of the better drawn versions of the thinking man with a badge Shots Magazine He's (Jan Fabel's) become one of the most interesting detectives around; his seventh appearance is his best. -- Marcel Berlins The Times This is an excellent read. Literary Craig Russell writes intelligently and with sensitivity ... The Ghosts of Altona is an absorbing above average crime thriller ... absolutely not one to miss SJ2B House of Books There are many layers to be had here and Craig Russell brings them all together over time in indomitable fashion - clever construction and a real feel for character development means this comes highly recommended from me.
