**Von K.E. Ganshert : The Gifting (The Gifting Series Book 1) (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Gifting (The Gifting Series Book 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 1 Kunden fanden die folgende Rezension hilfreich. Nicht genutztes Potential Von Dragon\_of\_Storm Ich würde die Reihe nicht noch einmal kaufen. Ich habe die Triologie komplett gelesen (der Vollendung willen auch das dritte). Die Grundidee des Buches ist sehr gut (ich sag nur mal um

nicht zu spoilern: "Traum"). Daraus htte man viel machen knnen. Das Buch hat auch spannende Momente, aber bleibt leider in der Szenerie sehr beschrnkt - da wre deutlich mehr drin gewesen. Vielleicht liegt das auch daran, dass ich zuvor durch die Buchreihe "Codex Alera" zu verwhnt war. Versteht mich nicht falsch, das Buch ist fr den ein oder anderen nicht schlecht. Gerade der Fokus auf eine Person in heutiger Zeit die komische Sachen erlebt, ist ein guter Einstieg um sich reinzufhlen. Aber fr mich haben viele Sachen wenig Tiefe. Die "Bsewichte" werden berhaupt nicht erklrt, die Folgen fr die Zukunft werden nicht erklrt, wichtige Szenen erhalten nicht ausreichend ausgeschmckte Details, viele Sachen kommen gefhlt wirklich vor und sind nicht lange im Vorhinein logisch aufgebaut gewesen, ...  
.Fazit: Ich wrde es mir nicht noch einmal kaufen, wenn ich es noch nicht gelesen htte. 0 von 1 Kunden fanden die folgende Rezension hilfreich. A Gem!! Von lizzy  
This series is an absolut gem. buy it and forget the world around you  
Among the best Fantasy Dystopy Paranormal series i have ever read. i starts a bit slow but then it gets momentum and gets faster and faster and it gets exciting and thrilling. i read all 3 books in 4 days. the characters are well developed with flaws and weaknesses and strength, a healthy dose of romantic but not to much  
the heroine is sometimes lovable, sometimes annoying, and stubborn  
i will not reveal the story, i have not yet read anything similar, for me it was new and refreshing and disturbing  
all 3 books are out, so the cliffhangers do not matter  
what a great series, this author for me is an autobuy

Kurzbeschreibung "If science is right, then I am crazy. And crazy is dangerous." In a world where nothing supernatural exists, Tess Eckhart is positive shes going crazy. After her complete freakout at a high school party, her family is too. So much that they pack their bags and move across the country, next to a nationally-renowned facility for the mentally ill. Tess is determined to fit in at her new school, despite the whispers and stares. But when it comes to Luka Williams, a reluctantly popular boy in her class, shes unused to a stare that intense. Then the headaches start, and the seemingly prophetic dreams that haunt her at night. As Tess tries harder to hide them, she becomes increasingly convinced that Luka knows something that he might somehow be responsible. But what if shes wrong? What if Luka Williams is the only thing separating her from a madness too terrifying to fathom?

K.E. Ganshert was born and raised in the exciting state of Iowa, where she currently resides with her family. She likes to write things and consume large quantities of coffee and chocolate while she writes all the things. Shes won some awards. For the writing, not the consuming. Although the latter would be fun. You can learn more about K.E. Ganshert and these things she writes at her website [www.katieganshert.com](http://www.katieganshert.com).
