Can't wait to see the movieVon AnonymousiamAt first I couldn't quite understand what was happening to this child, which is the intent - but the writer draws you into each character and then you just can't put the book down. I never wanted it

to end, then it did, but it was done with such finesse that not only were you satisfied, but actually felt closure. I believe there will be a sequel, so the story and our love affair with Melanie will hopefully be able to continue. I love when there is a movie to follow, such as *The Martian* and *Enders Game*! I have already recommended this book to others, what an imaginative gifted writer. Don't miss out on yet another compelling 'how the world ends' book - which I normally stay away from like the plague, but the title and book cover hooked me and I was so glad I read it! 0 von 0 Kunden fanden die folgende Rezension hilfreich. apocalyptic horror story in a bright colored jacket Von Slowridability Its a rather light and pleasant to read zombie book. The plot is compelling although not too deep. For those looking for SciFi, there is little - besides the post apocalyptic landscape and minimal descriptions of the remaining 'civilization'. For those looking for real horror, the writing style might be to joyful - its not pulling up the tension enough to let you read in cold sweat. Nonetheless, an almost Neil Gaiman'ish read, that makes it difficult to put it aside.. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Very best! Von uhdev99 Ein absolutes Highlight in diesem Lesesommer. Mein erster "Endzeitroman" (geschenkt bekommen :-)), aber was für eine Wucht an Story und Sprache...! Stündige Wendungen (absolut in sich stimmig) und das Ende: Hammer! Extrem empfehlenswert!

**Kurzbeschreibung** The phenomenal word-of-mouth bestseller *THE GIRL WITH ALL THE GIFTS* is now a major film starring Glenn Close, Gemma Arterton and Paddy Considine. **NOT EVERY GIFT IS A BLESSING** Every morning, Melanie waits in her cell to be collected for class. When they come for her, Sergeant Parks keeps his gun pointing at her while two of his people strap her into the wheelchair. She thinks they don't like her. She jokes that she won't bite. But they don't laugh. Melanie is a very special girl. Emotionally charged and gripping from beginning to end, *THE GIRL WITH ALL THE GIFTS* is the most powerful and affecting thriller you will read this year. **Pressestimmen** "Original, thrilling and powerful." *The Guardian* "Unique and terrifying." **Booklist** "An instant favorite." **Boing Boing** "A great read that takes hold of you and doesn't let go." John Ajvide Lindqvist, author of *LET THE RIGHT ONE IN* "Heartfelt, remorseless and painfully human...as fresh as it is terrifying. A jewel." Joss Whedon "If you only read one novel this year, make sure it's this one, it's amazing." Martina Cole "One of the more imaginative and ingenious additions to the dystopian canon." **Kirkus** "...a brilliant work of science fiction, but even people who never read science fiction should absolutely read this one." **io9.com** **Werbetext** The phenomenal word-of-mouth bestseller *THE GIRL WITH ALL THE GIFTS* is now a major film on widespread distribution starring Glenn Close, Gemma Arterton and Paddy Considine
