Alright Von Samantha Just finished *The Girl You Lost* and I have to say, I'm really surprised by the ending. Didn't see that coming!! I loved the beginning of the book, especially the story line and how things got messy and confusing. But somewhere in the middle of the book, I kind of got a bit bored of HOW messy things were. Maybe I didn't get the psychological thriller memo but I thought there was too much going on. And in some moments Simone (main character) became quite a bit annoying. Nevertheless I really don't want to complain because the book was definitely a good read and a page turner. I definitely recommend it!

When a young woman, Grace, now approaches her and tells her she believes that she is her daughter, Simone is caught between disbelief, fear and happiness. After only a couple of hours together and a strange story Grace tells her about how she found out, Simone's life is turned upside down and she finds herself in the middle of a search not only for the truth about what happened almost two decades ago, but also in a murderous connection with opponents who are much stronger and reckless than she can imagine. The story about a child being abducted and then so much time later clues to what could really have happened already is a gripping plot from an emotional point of view. However, what Kathryn Croft makes of it is much more than just this. She extends her story more and more, building a net of side plots which are even more interesting and thrilling and combines them all in an astonishing way to solve the case in a most unexpected way. Focusing on protagonist and accompanying Simone in her search gives the reader the opportunity to go through different mental states from happiness to the highest fear, anger and compassion. All in all, a psychological thriller which can keep its promises with a lot of suspense and many twists and turns which constantly provide new developments.

Gut geschrieben, aber alles kam einem bekannt vor (zweieinhalb Sterne) Von dieleseratz Der Plot klingt sehr interessant und packend, doch schon nach wenigen Seiten dachte ich: "xxx ist am Verschwinden der Kleinen schuld" - und genauso kam es dann auch, nach zig Seiten Verwicklungen, Irrungen und Wirrungen. Irgendwie hat man diesen Handlungsverlauf schon zig Mal in besseren Versionen gelesen - sei es von Ruth Rendell, Minette Walters, Tana French oder wem auch immer. Deshalb konnte auch das Ende nicht mehr überraschen - wobei: Dieser zuckersüße Abschluss der ganzen Story im Epilog - das brachte für mich persönlich das Fass zum Berstehen.... Denn das wäre wirklich nicht noch nötig gewesen! Die Autorin hat eine sehr gute Sprache, versteht es, packend zu erzählen - ich werde von ihr sicher noch etwas lesen, aber dieser Thriller enthielt zu viele bekannte Plots und stereotype Handlungsverläufe. Fazit: Vielversprechende Autorin, Thriller lesenswert, aber mit Abstrichen.

Kurzbeschreibung Eighteen years ago your baby daughter was snatched. Today, she came back. A sinister and darkly compelling psychological thriller from the No.1 bestselling author of *The Girl With No Past*. Eighteen years ago, Simone Porters six-month-old daughter, Helena, was abducted. Simone and husband, Matt, have slowly rebuilt their shattered lives, but the pain at losing their child has never left them. Then a young woman, Grace, appears out of the blue and tells Simone she has information about her stolen baby. But just who is Grace and can Simone trust her? When Grace herself disappears, Simone becomes embroiled in a desperate search for her baby and the woman who has vital clues about her whereabouts. Simone is inching closer to the truth but it'll take her into dangerous and disturbing territory. Simone lost her baby. Will she lose her life trying to find her? I was on the edge of my seat having palpitations . . . This is one hell of a gripping story so if you love psychological thrillers then this is a must read for 2016. I am giving this an easy 5 massive well-deserved stars. Chelles Book s Had me gripped from the first few pages, and at no point does the story disappoint. Love a good twist? This is the ULTIMATE thriller. The Bookshelf Blog The suspense is epic in Kathryn Crofts latest novel. The fear and dread she generates is for me what makes her one of THE best thriller writers. The shocks just keep coming and the ending is just how I wanted it to be. Its just perfect. Postcard s A powerhouse of emotions . . . Put simply, its wickedly engaging, and one I'd absolutely recommend. Little Bookness Lane This book really surprised me. Considering the fact that I have read more

thriller books and watched more thriller/mystery shows than I can count I have pretty much resigned myself to the fact that nothing could surprise me any more. Guess what?? This book has taught me there are still books out there in the mystery genre that could surprise me . . . I would recommend this book to all the mystery lovers out there. I don't remember the last time I enjoyed a thriller/mystery genre book this much. Nair the Critique
