**Von Petra Durst-Benning : The Glassblower (The Glassblower Trilogy Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Glassblower (The Glassblower Trilogy Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.  
Excellent book, would highly recommend itVon Pizzi MayaMy mother is reading Part One of the trilogy (she just had

me buy Part 2 and 3), and she absolutely loves the book; is looking forward to the rest of the trilogy. Now she's a voracious reader, and pretty picky about what she reads. She says she loves the story line, and especially the depictions of the three sisters. The book even made her tear up a few times. She also thinks the translation is excellent (she reads in German, too). So she says she would recommend The Glassblower highly.0 von 0 Kunden fanden die folgende Rezension hilfreich. I've read betterVon Kindle CustomerThe history of Lauscha was interesting. Otherwise, I found the storyline transparent and lacking in historical merit. I can imagine where the next two books will be taking us and won't bother to finish the trilogy.0 von 0 Kunden fanden die folgende Rezension hilfreich. Eine nette GeschichteVon leena48Ich fand das Roman gut. Es beschreibt authentisch, wie schwer die Frauen früher hatten und welche Urteile vorhanden waren. Habe das Buch gerne gelesen und kann es weiterempfehlen

KurzbeschreibungIn the village of Lauscha in Germany, things have been done the same way for centuries. The men blow the glass, and the women decorate and pack it. But when Joost Steinmann passes away unexpectedly one September night, his three daughters must learn to fend for themselves. While feisty Johanna takes a practical approach to looking for work, Ruth follows her heart, aiming to catch the eye of a handsome young villager. But it is dreamy, quiet Marie who has always been the most captivated by the magic and sparkling possibilities of the craft of glassblowing. As the spirited sisters work together to forge a brighter future for themselves on their own terms, they learn not only how to thrive in a man's world, but how to remain true to themselves and their hearts in the process.

ber den Autor und weitere MitwirkendePetra Durst-Benning has developed a loyal following for her well-researched historical novels in her native Germany, where she lives with her husband. She has written more than a dozen books, many of which have gone on to be bestsellers. Durst-Bennings love of the US dates back many years. She visited frequently as a child and developed a passion for American bestsellers, which went on to inspire her own writing career in later years. The Glassblowers English-language debut is, in many ways, the fulfillment of a girlhood dream.
