**Von Michael Connelly : The Gods of Guilt (Mickey Haller Series Book 5) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Gods of Guilt (Mickey Haller Series Book 5) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A favoriteVon Randy W.As usual a very good lawyer story. Michael Connelly's lawyer books are the best of his books. He is always on my list for something very interesting to read.1 von 1 Kunden fanden die folgende Rezension

hilfreich. Almost brilliant Von Alfred J. Kwak In his fifth book about Lincoln Lawyer Mickey Haller, author Michael Connelly (MC) can barely hide his pride and joy that his character became the subject of a Hollywood movie. And that more LA lawyers now operate from digitalized Lincoln Town Cars with driver, saving on overheads by having no office. Mickey's small staff operates and reports from home or from there they are sent. One will not live to see the end of the case. They conduct their rare staff meetings in a vacant building of which Mickey has a set of keys. So everything goes crescendo. Or what? On p. 250 Mickey bumps into his LAPD detective half-brother Harry Bosch, and afterwards he muses, We had daughters the same age. But his apparently still talked to him on a regular basis. After all, he put bad people in jail. I got them out. He wants his daughters admiration, not her embarrassment about the scum he defends and the negative publicity she also suffers from. This legal thriller has deep roots, featuring old and new murders, a vicious drug cartel, three prostitutes, a criminal serving a life sentence and members of at least one US federal law agency doing seriously unlawful things. There is little doubt that this case, in which he defends an internet pimp from a murder charge, will make or break Mickey's career. Perfectly-paced and deftly-plotted, it has just enough human interest and a dramatic courtroom battle and finish, which lead to a satisfactory outcome in most respects. I'm just puzzled by Mickey's new lady friend. Maybe, it works, maybe it is a depth charge waiting to explode in the next book. Finally, not all crime writers thank their editors, researchers or experts. MC does and gives some of them cameo parts under their own name in his thrillers. That I like too. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Masterful work Von TeRight from the opening, Michael Connelly's "The God's of Guilt" gripped my attention and held me down all the way to the last page. He has a masterful plot in this story and the details even though plentiful is dished out in palatable doses that did not making the reading labored at all. The characters are also well-developed and are very true to life, which brought to mind Gavin and these he interacted with in "Triple Agent Double Cross". Besides the credible characters, and great plot, the narrative flows and the settings are very credible. Michael of Connelly has a sure winner in this book. Kudos.

Kurzbeschreibung The 'Lincoln Lawyer' grapples with a haunting case in a gripping thriller from bestselling author Michael Connelly. Mickey Haller gets the text 'Call me ASAP - 187', and the California penal code for murder immediately gets his attention. Suddenly, Mickey's not just trying to get his client off a murder charge, but there is a more personal connection: the victim was Gloria Dayton - his own former client, a prostitute he thought he had rescued and put on the straight and narrow. Far from saving her, Haller may have been her downfall. Haunted by the ghosts of his own past, and with his own guilt or redemption on the line, he desperately needs to find out who Gloria really was and who, ultimately, was responsible for her death. Pressestimmen PRAISE FOR MICHAEL CONNELLY: "Connelly inherits the mantle of Raymond Chandler and his legendary detective Philip Marlowe. And the similarities between the two writers don't stop there. Their books share a kind of ambitious artistry that strains to reach beyond genre fiction.... Connelly understands how to deliver a great story of many pieces that coalesce into page-turning literature." Chuck Leddy, Boston Globe "Michael Connelly may be the best thriller writer we have." Jane Henderson, St. Louis Post-Dispatch "Connelly excels.... the consistency of his excellence is remarkable." Richard Rayner, Los Angeles Times "Any new book by Michael Connelly is a cause for celebration.... Connelly is one of the best crime story writers on the scene today. Each new novel refines his talent and makes its story one to be remembered." Jackie Cooper, Huffington Post Werbetext The 'Lincoln Lawyer' grapples with a haunting case in a gripping thriller from bestselling author Michael Connelly.
