I liked it better than the first in the series, although that was good too. Stories about the sea always interest me and the book held my interest all the way through. I would recommend this book to anyone who loves to paint as well. The character's faith in God was brought out through the

whole book. I am looking forward to the third in the series.0 von 0 Kunden fanden die folgende Rezension hilfreich. WonderfulVon sah06@comp.uark.edu (Sarah Hunt)I couldn't wait to read this book. After reading the Silver Sword to not have read the Golden Cross would have broken my heart. The story was so fast I wish I was still reading it. Hunt is truly an artist in her own way. Aidan is a figure that all people can draw strength from. Read this book and I know you will come away feeling like you've read a masterpiece.0 von 0 Kunden fanden die folgende Rezension hilfreich. Most enthralling historical novel that I've ever read!Von Raimey JacksonThis novel and this series bring to life a world of characters that I regret having to say good-bye to at the end. Angela Elwell Hunt is a strong writer and a wonderful tool for Christ. I would (and might) go broke if she keeps writing such beautiful works.
