Von Faye Adams : The Goodnight Loving Trail (Triple X Texas Women Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Goodnight Loving Trail (Triple X Texas Women Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. My review of Goodnight Loving TrailVon JewelsYorkies@aol.comI just bought this book and have had a hard time putting it down. The characters were believable. Luke and Tish have a very passionate relationship that makes your pulse race. My only dissapointment is that I have finished the book. It's a story you want to go on and on. I now have to find out if all of Faye Adam's books are this good.

KurzbeschreibungBOOK TWO - TRIPLE X TEXAS WOMEN TRILOGY** Tish felt his anger like the heat of a close fire. "Don't worry. If every last man rides out, and every one of your damn cows drops dead, I'll make it up to you if it's the last thing I do!" Her voice rasped from between her lips and she inched defiantly closer to his threatening stance. Luke felt her breath on his face and the warmth of her body so near. Damn her. Damn her to hell. He reached across the short distance between them and roughly pulled her against the heat of his body, his lips crushing hers in a punishing kiss. **Tish Walker had all her dreams tied up in the prize longhorns she was driving to Montana and the fiance' who was waiting there. Now, her hopes could vanish in the stampede that mixed her steers with a heard belonging to the most ornery, arrogant, good-looking cowboy she ever pulled a six-shooter on.Luke Bonner never expected the flash of desire he felt when he faced the gun-toting range boss of the stampeding cattle. This was not just a woman on the Goodnight Loving Trail. She was a feisty beauty who could leave his senses hog-tied even though she belonged to another man.With no way to separate their herds, Luke and Tish had to join together to face the risks and the hardships on the trail ahead. But the biggest danger in their path might be a blazing passion that could break - or forever bind - two wrangling hearts.Finally! The sequel to Rosebud! If you enjoyed Rachel's story, the first book in this trilogy, you may love this second book. Rachel's daughter Tish is all grown up and riding into a wild love story of her own. And watch for 'Under a Texas Moon', coming soon. Rachel's second daughter, Jessie, is just as strong willed and independent as her mother and sister, so you won't want to miss her tale of adventure and love in Texas.
