Von Janet Evanovich : The Grand Finale before purchasing it in order to gage whether or not it would be worth my time, and all praised The Grand Finale:

KundenrezensionenHilfreichste Kundenrezensionen5 von 5 Kunden fanden die folgende Rezension hilfreich. Pre-Plum Romance Built on Female Hormones and Prat-Fall HumorVon Donald MitchellIf you have a choice between

reading the romance, The Grand Finale, and re-reading a favorite Plum, go ahead and stick in your thumb and pull out the Plum. Then you'll have a grand finale to your evening, rather than the experience of reading a book about a grand finale . . . that isn't totally satisfying. The opening of The Grand Finale is strong . . . but the book quickly runs downhill from there. Fans of Stephanie Plum will see parallels between that wonderful, goofy character and pizza-store owner and college student, Berry Knudsen. Fans of Grandma Mazur will enjoy the plot complications of having three somewhat similar characters in the story . . . but will be disappointed that they lack the total daffiness of Grandma Mazur's fixations. The familiar pratfalls are here, but they come a bit too fast and too frequently to be continually funny. The book's story primarily depends on two plot devices: an attractive man, Jake Sawyer, who is ready to settle down with a woman he just met, and continuing failures to communicate between Berry and Jake. The former device works much better than the latter, which comes across as strained and more than a little unrealistic. I thought that the book's value was mostly to be found in exploring the idea of trying to be kind to others, and how that affects how you organize your life. I also enjoyed comparing Berry and Stephanie to better understand the brilliance of Ms. Evanovich's writing about Stephanie Plum.

3 von 3 Kunden fanden die folgende Rezension hilfreich. not stephanie plum... Von Dabawien I bought the book supposing it was one of the in-between numbers book of Stephanie Plum. As it turns out it is about a different character and it was more a love story than anything else. It is too good to be true but still it is funny as to be expected from Janet Evanovich. It is more for teenies and not my cup of tea... 0 von 1 Kunden fanden die folgende Rezension hilfreich. Ein muss... Von Melanie Whtiefr Janet Evanovich Fans. Sie ist einfach die Beste. In dem Buch kommt Spannung, Berraschung und erotische Vorstellung gut zusammen :D

Kurzbeschreibung From the #1 New York Times bestselling author comes a revised, repackaged novel sure to please her many fans. She writes "high speed comic mayhem" (Detroit Free Press); she's "a blast of fresh air" (Washington Post); "side-splitting funny" (Publishers Weekly) and "a winner" (Glamour). In other words, she's Janet Evanovich. Berry Knudson had a talent for disaster, but when she climbed a tree to rescue a kitten, she wasn't prepared for the scrumptious hunk undressing in a nearby window, or her dive downward that smashed Jake Sawyer's pizza and won his heart! But was there room in her chaotic schedule for a risk-taking inventor with dreams? She took classes, delivered pizzas, and cared for three eccentric old ladies she rescued from the train station. But Jake thrived on a challenge, and he could be very inventive. Could he teach her there was time to make butterscotch pudding and let herself be loved?
