KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. like the other booksVon Nina K.I really enjoyed the other books by Peter V. Brett and since those stories in there are chapters

that had to be omitted because of space, the style is no different from the other books. The only thing I missed was something giving crucial information to the plot which could have been added in the form of more chapters. These two stories alone make up just a short book. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Nice but too little
Von Kristian Altmann I think it is very sad that the editor forced Peter to leave these pages out of the trilogy. This way the story gets lost to the reader and the pages in this book don't really connect to a new story. Nevertheless, they are two pretty neat stories.

Kurzbeschreibung Two exciting short stories set in the engrossing world of The Demon Cycle from bestselling fantasy author Peter V. Brett, available together in the UK in hardback and on e-book. Humanity has been brought to the brink of extinction. Each night, the world is overrun by demons bloodthirsty creatures of nightmare that have been hunting and killing humanity for over 300 years. A scant few hamlets and half-starved city-states are all that remain of a once proud civilization, and it is only by hiding behind wards, ancient symbols with the power to repel the demons, that they survive. A handful of Messengers brave the night to keep the lines of communication open between the increasingly isolated populace. But there was a time when the demons were not so bold. A time when wards did more than hold the demons at bay. They allowed man to fight back, and to win. Messenger Arlen Bales will search anywhere, dare anything, to return this magic to the world. Abban, a merchant in the Great Bazaar of Krasia, purports to sell everything a man's heart could desire, including, perhaps, the key to Arlen's quest. The Great Bazaar and Brayans Gold is the essential addition to one of the most exciting epic fantasy series having been published. Pressestimmen Praise for The Demon Cycle: 'Peter V. Brett is one of my favourite new authors' Patrick Rothfuss 'There is much to admire in Peter Brett's writing, and his concept is brilliant. There's action and suspense all the way.' Terry Brooks '[Peter V. Brett is] at the top of his game. I give this my highest recommendation.' Tor.com '[Brett] confirms his place among epic fantasy's pantheon of greats amid the likes of George R.R. Martin, Steven Erikson, and Robert Jordan.'
