Aber es sind unterhaltsame Bcher, die mit viel Fantasie und Interesse geschrieben sind. Es macht Spa, sie zu lesen und garantiert einige Stunden spannender Unterhaltung. Mrs. Teasdale sollte fleissig weiter schreiben.0 von 0 Kunden fanden die folgende Rezension hilfreich. Sexiest android in the galaxyVon Dell WalkerI have read all of the Aneka Jansen books to date, and have not been disappointed in any of them.Keep her coming Niall.

KurzbeschreibungAneka Jansen, born on Earth in the twentieth century seems to have been revived after a thousand years of relative peace only to find herself in the middle of a war. As the Herosians manoeuver themselves into a better position for victory, their actions hidden behind subterfuge and high technology, there seems to be little anyone can do to stop the coming war.But a sudden revelation will plunge Aneka and Ella deep into the conflict while their friends fight for their lives amid a war of giant starships and planet-smashing weapons.KurzbeschreibungAneka Jansen, born on Earth in the twentieth century seems to have been revived after a thousand years of relative peace only to find herself in the middle of a war.
