with her familiar style which I like very much.

Kurzbeschreibung Devastated by her husband's death, Kathy Malone has traveled to his childhood home, hoping to come to terms with the recent tragedy. Here in the beautiful rolling hills of Tuscany, she seeks solace and discovers something sinister instead. Befriending a lonely boy named Pietro, accepting the chilly hospitality of the aristocratic Contessa Morandini, Kathy begins to uncover the pieces of an ominous puzzle and hints of a deadly obsession. And now she has stumbled upon a murderous plot that could cost Kathy her life for it was meant to stay hidden . . . forever.

Pressestimmen "A writer so popular that the public library has to keep [her] books under lock and key."--The Washington Post "It's got all the elements--a young woman whose enigmatic husband has just died, an ominous old Italian villa, a sinister contessa, excursions into the night.... Barbara Michaels tells her story with grace, wit and unflagging suspense."--San Jose Mercury News "A new Barbara Michaels is always a treat--I try never to miss one. Such a novel, with an intelligent heroine, is one of my greatest pleasures. Barbara always provides it."--Marion Zimmer Bradley, author of *The Mists of Avalon*
