**Von Katherine Hurley : The Griever's Mark (The Griever's Mark series Book 1) (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Griever's Mark (The Griever's Mark series Book 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Epic fantasy world, I want more! Von Yulivee Really great world! So much new ideas and innovative story lines, I want to

learn more about it. Its magic and relations differs from other fantasy worlds. I am really curious what comes next. I also liked the characters and their profounding thoughts. The battles were exciting and not explained too detailed. The end has a cruel cliffhanger, so I have to read the next book at once.

Kurzbeschreibung Astartis master controls her through a Leash, a bond of energy anchored deep within her. Despite being one of the few remaining Drifters, able to manipulate the energy world, she cannot break free. She knows her fate: she will serve until she dies, at which point her master will harvest her energy to augment his own. Oh, yes, she's done some bad things in her master's name. She's not asking for forgiveness. She expects you to hate her. What she doesn't expect is Logan, a man meant to be her sworn enemy. A man with secrets as dark as her own.

ber den Autor und weitere Mitwirkende Katherine Hurley was born in New Mexico, raised in Kansas, and fell in love with Michigan's beautiful Upper Peninsula during her MFA. She currently lives in West Virginia (also beautiful) but is scheming to get back to the U.P. Her love of myth and legend led her inexorably into fantasy, and she has no intention of leaving, ever. When she's not writing, she might be found riding her horse or walking her dog OR her cat. (Yes, cats can be trained to walk in harness; she has pictures.) She might also be out mountain biking or whitewater kayaking or eating muffins in the park. One never knows. You can keep up with her at [katherinehurleybooks.com](http://katherinehurleybooks.com) or through The Griever's Mark Facebook page.
