Amusing idea, hillarious bookVon Imogen SmithI have decided to write a review as I am a young girl who has just finished reading both the secret diary and the grwoing pains and I think it would be useful to other children to see a

review from their generations point of view...This book is hilarious, I could not put it down and I am actually currently reading the next one in line. I am 11 but I am quite an advanced reader and this could suit both advanced readers and more intermediate readers. It made me laugh, it made me cry, it is a moving diary of Adrian's that I am personally putting on my reading list for the next year who come into grade 6 as I was chosen to update it. In my library, although we have all the adrian mole diaries, they are never there. It was only out of pure luck i finally (after 2 weeks of hunting) managed to get "The Growing Pains of Adrian Mole" out. When look at the number of stamps that have been manically pressed on the inside to prove that you got the book out I stare in wonder. This copy had only been in the library for 2 months! To sum the whole thingup, it's a great laugh and great fun.2 von 3 Kunden fanden die folgende Rezension hilfreich. PERFECT LITTLE NERD!!!Von NadineAdrian Mole ist einer meiner liebsten Freunde, wenn es um Bcher geht. Ahnungsloser und liebenswerter kann man kaum sein. Nicht nur seine unsterbliche Liebe zu Pandora von nebenan, sondern auch die Beziehung seiner Eltern und die Entwicklungen in seinem Leben sind unglaublich witzig von ihm erzht, sondern auch seine Ambitionen, berhmt zu werden... Seine Freunde und der Hund (der nur "der hund" heit) sind ebenfalls liebevoll beschrieben und zaubern dem Leser so manches Mal ein Lcheln aufs Gesicht...1 von 1 Kunden fanden die folgende Rezension hilfreich. Skurril und faszinierendVon AndreaIch kann dieses Buch wirklich nur empfehlen! Es ist nicht nur einer der Klassiker unter vielen Bchern, die sich ums Erwachsenwerden drehen, sondern hebt sich auch von den meisten Werken aus diesem Genre ab. Dies liegt vor allem an der wundervollen Art von schwarzem Humor und der sarririschen und zugleich liebevollen Art, skurrile Situationen so darzustellen, dass man sofort Kino im Kopf hat. Gesteigert wird dies durch die Erzhlperspektive: Erzher ist der zu Beginn 13 3/4 Jahre alte Adrian Mole, der in vermeintlichen Riesenproblemen und Selbstmitleid ertrinkt und zugleich bilnd ist fr die groen Dramen in seiner Familie. Dabei schildert Sue Townsend das gesamte Leben aus der Sicht eines Teenagers so detailreich und humorvoll, wie es nur eben geht. Skurril, witzig, faszinierend!

KurzbeschreibungThe Growing Pains of Adrian Mole is the second book in Sue Townsend's brilliantly funny Adrian Mole series.Sunday July 18thMy father announced at breakfast that he is going to have a vasectomy. I pushed my sausages away untouched. In this second instalment of teenager Adrian Mole's diaries, the Mole family is in crisis and the country is beating the drum of war. While his parents have reconciled after both embarked on disastrous affairs, Adrian is shocked to learn of his mother's pregnancy. And even though at the mercy of his rampant hormones and the fickle whims of the divine Pandora, a victim of a broken home and his own tortured (though unrecognised) genius, Adrian continues valiantly to chronicle the pains and pleasures of a misspent adolescence.
