Excellent fantasy novel!Von maddiebAn original, humorous, wise and satisfying read - a book that is superb on all the

levels I can think of. Engaging characters and beautiful language - I would highly recommend it.

**Kurzbeschreibung** What does a monster with an angel's soul do when a prince comes along to steal his girl? He wants to kill him, of course. When the gods meddle in the lives of mortals, personal disaster is assured, and disaster is coming for golem, girl and prince. In the land of Ulmenir, where kings boast the blood of gryphons, some things aren't quite as they seem. (Third Edition. Content warning: Adult fiction.) The Gryphon Taint: Volume One is the fourth novel chronologically in The Soulstone Chronicles, a fantasy adventure about an enigmatic deity reborn as a human being. The Gryphon Taint set can be read first in the series, since it was written before the Bound in Stone set, which can be considered a prequel.

**Synopsis** What does a monster with an angel's soul do when a prince comes along to steal his girl? He wants to kill him, of course. When the Gods meddle in the lives of mortals, personal disaster is assured, and disaster is coming for golem, girl and prince. The Gryphon Taint is a three volume set in The Soulstone Chronicles. It was written to be a nice big read, with romance, adventure and trouble, lots of all three. There is an angel whose soul was rent from his divine body a hundred years earlier, but who is now trapped in the hulking shell of a creature of sticks and mud. There is a girl, born hideously ugly, who may have elvish blood, and in whom the Gods have taken a strange interest. And there is a prince whose bloodline boasts a link to a mythical heritage. If so, the girl shares it, for she is his distant cousin through a bastard line. In the land of Ulmenir, where kings boast the blood of gryphons, some things aren't quite as they seem. This is a free to read ebook. Visit my storefront for details.
