Von Simon R. Green : The Guards of Haven (A Hawk Fisher Omnibus Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Guards of Haven (A Hawk Fisher Omnibus Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. ThrillingVon Tom HendricksThese three stories are at least as good as the first three stories of Hawk and Fisher. Especially I appreciate that Green mentions the backround of Hawk and Fisher, which underlined my suggestion that

they are the protagonists of "Blue Moon Rising" another marvellous novel by Simon R. Green. I recommend this book to all those, who love reading thrilling stories. Green`s style makes you feel like taking part in the adventures of Hawk and Fisher and you`ll not be able to put the book down once you started reading it.2 von 2 Kunden fanden die folgende Rezension hilfreich. I'm sorry if I offend any oneVon Ein KundeI'm sorry if I offend any one, but I find Mr. Green's writing in this book to be very poor. I have read his first Deathstalker book and found it to be very enjoyable. This book however makes me wonder if he wrote it while still in high school. The charaters have no depth to them and they seem to be a continual attempt to look and act tough. I really did not care for this book.1 von 1 Kunden fanden die folgende Rezension hilfreich. Beware if you are buying more of this series...Von Stuart DriverThese are quite enjoyable sword and sorcery cop stories, with a tongue in cheek approach. None of the plot twists are especially surprising, but they're fun to read all the same. Beware if you are planning on buying more of this series though - the three stories in this book are THE SAME STORIES as in "Fear and Loathing in Haven" by the same author. The names of each of the stories was changed. It's a different publisher, which may account for it somehow, though it's very annoying...

KurzbeschreibungOnly two things stand between Havens law abiding citizens and the citys notoriously dangerous criminal element: Hawk and Fisher. As Captains of the Haven City Guard, Hawk and Fisher deliver justice, root out corruption, and fight crime with a deadly combination of sharp steel and even sharper instincts. But it isnt easy. A volatile mix of natural and supernatural violence, Haven is a terrible place to be after darkand not much better during daylight. Guards of Haven collects books #4 through #6 of New York Times bestselling author Simon R. Greens beloved Hawk Fisher series.Wolf in the FoldIn a risky undercover case, Hawk and Fisher have only 24-hours at a high society funeral to catch a shapeshifting spy with a dangerous secret who hides among one of Havens wealthiest families.Guard Against Dishonor When the influx of a deadly new drug threatens Haven, Hawk and Fisher must track down and crush the source, pitting them against Havens most powerful politicians, its sleaziest criminals, andeach other. The Bones of HavenAmid tense political negotiations in Haven, Hawk and Fisher join forces with the Special Wizardry and Tactics team to stop a ruthless terrorist who is determined to drag the country into a brutal war.KurzbeschreibungOnly two things stand between Havens law abiding citizens and the citys notoriously dangerous criminal element: Hawk and Fisher.
