story! Again! Von Jar Girl I enjoyed reading this book so much! It was so exciting! Baldacci really managed to suck me into his story. At the part where Will Robie heard noises, inside and outside, he focused on the inside noise. When he took care of the inside noise, I was already screaming out loud: "the outside noise, the outside noise!" Well, just read the book to find out what happens!! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Good book Von JohnFast pace enjoyed it though rly. Fast pace. Well written. Kurzbeschreibung Special Agent Will Robie left his hometown in Mississippi when he was a teenager. Its residents remember him as a wild sports star and girl-magnet. He left a lot of hearts broken, and a lot of people angry. Now, over twenty years later, he's back. His estranged father, Dan, who is the local judge, has been arrested for murder and Will wonders if it's time to try to heal old wounds. A lot of bad blood has flowed between father and son, but Robie's fellow agent, Jessica Reel, persuades him to stick around and confront his demons. Then another murder changes everything, and stone-cold killer Robie will finally have to come to grips with his toughest assignment of all. His family. The Guilty is the fourth thriller in the Will Robie series by David Baldacci, following on from The Innocent, The Hit and The Target. Pressestimmen "Robie and Reel are complex characters, and anything they do is a pleasure to follow... Baldacci knows how to get readers to turn the pages, and he's in top form here." Associated Press on The Target "Brilliant use of language... vivid supporting characters and numerous sudden and unexpected plot twists... [Baldacci] doesn't let the action sag at any point... In [Chung-Cha], Mr. Baldacci has created one of his most memorable characters." Pittsburgh Post-Gazette on The Target "Baldacci has been on a hot streak for the past few years, and The Target continues the trend. This isn't a garden-variety thriller or even a garden-variety Baldacci. It's among his most exhilarating books yet." Richmond Times-Dispatch on The Target "Baldacci has crafted another terrific tale with two great protagonists. Just when the story line seems to veer into familiar areas, Baldacci steers it into another shocking direction. This is the best book yet in the series." Associated Press on King and Maxwell "David Baldacci's latest thriller is not only highly relevant, it is also well timed. And the details seem so real that it's hard not to wonder if the author is an insider; the tone is that authentic. An absolute page-turner, King and Maxwell is Baldacci at the pinnacle of his game." BookReporter.com "Its pace is relentless, and Baldacci's reworking of his perennial theme - absolute power corrupts absolutely - gives the book a sense of urgency and cultural relevance that many thrillers lack." Richmond Times-Dispatch on The Hit "The best Baldacci novel in years... What makes The Hit live up to its title is the payoff at the novel's end. By then, Baldacci has planted an emotional hook that remains long after readers have turned the last page of the book." Associated Press on The Hit "Another fast paced page turner that will keep you glued to the couch... by an author who continues to stand out in the increasingly crowded thriller field." Examiner.com on The Forgotten "Baldacci is a master when it comes to writing about small-town conspiracies and a lone hero who fights against all odds to clean up corruption. The narrative moves slowly, so the reader has a chance to solve the case along with Puller. It might seem straightforward, but the final reveal will surprise even hardcore thriller junkies." The Washington Post on The Forgotten Werbetext A gripping Will Robie thriller from bestselling author David Baldacci
