**Von Annie Bee : The Gym Mistress Canes Hard (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Gym Mistress Canes Hard (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Superb description of a caning! Von H. L. This is the second of Miss Annie Bee's stories I bought (the first was "The Landlady's Punishment Book"). I have rarely read more realistic descriptions of harsh corporal punishments than those written by Annie Bee! They make you squirm from fear while at the same time wishing to be on the receiving end of her cane. If I wanted to utter any criticism: the story is way too short!

Kurzbeschreibung Jason has never forgotten the severe caning he received as a schoolboy at the hands of Miss Keen, and lately it has been on his mind - a lot. Imagine his shock, whilst interviewing candidates for a new PA, when in walks his former Gym Mistress - the very lady who dished out his corporal punishment all those years ago. Will she recognize him? Will she recall the agony she forced him to endure? But more importantly will he hire her knowing very well her sadistic nature? This is a low priced, short example of Annie Bee's corporal punishment stories. There are several longer stories for sale as ebooks on as well as other short stories. Find them all on Annie Bee's author's page.
