**Von Oscar Wilde : The Happy Prince and Other Tales (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Happy Prince and Other Tales (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Superb little volume, a collector's itemVon M. ErnstIt would be absolutely ridiculous for me to review the quality of Wilde's work. He is by far one of the most extraordinary authors of all times. Thus said, if you are not familiar with his works, and you don't like sad endings, this is not the right lecture for you. However the volume by Collector's Library is charming. Despite being printed in China, its quality is exceptional. The book fits in the palm of your hand, and the

illustrations inside are truly unexpected, but a wonderful bonus.0 von 0 Kunden fanden die folgende Rezension hilfreich. Wunderschöne Märchen, jedoch keine Interpretationen Von Anja Glatter Es ist unbestreitbar, dass Wildes Märchen zu den bewegendsten überhaupt gehören. Von dem Titelzusatz "Lernmaterialien" erhoffte ich mir Interpretationsansätze und Sekundärliteratur, doch abgesehen von Literaturhinweisen und einem recht gutem Nachwort enthält dieses Werk nichts in dieser Richtung. "Lernmaterialien" bedeutet demnach lediglich Vokabelhilfen. Diese sind wiederum recht gut und ermöglichenden Einsatz dieses Werkes in der Schule.3 von 4 Kunden fanden die folgende Rezension hilfreich. Excellent beyond compare!!!! Von Ein Kunde As a child I didn't have the books of Oscar Wilde but rather the records. My imagination soared with his descriptions of life, and my eyes overflowed with tears at each story. The record of the Happy Prince was read by Bing Crosby and Orson Wells and each year at Christmas we still play that old scratched thing, just to hear it's wonderful love story and that of The Selfish Giant. Now I have to get the book so my nieces and nephews will share in my treasures of love!!!! What is this world if it isn't all about Love?

Kurzbeschreibung This book was converted from its physical edition to the digital format by a community of volunteers. You may find it for free on the web. Purchase of the Kindle edition includes wireless delivery. From School Library Journal Grade 2-5-A statue of a privileged prince develops a social conscience and a swallow intends to pause just a moment to assist him. Together they conspire to bring a modicum of contentment, financial security, and compassion to the beleaguered poor of a nameless city in northern Europe and both receive their rewards in a heavenly paradise. In this morality tale originally intended for the childlike rather than the child, Wilde addresses issues of social injustice, the loss of innocence, and the redemptive power of love. The otherwise verbatim retelling of the original contains two omissions: reference to Jewish merchants in the ghetto and part of a descriptive passage of life on the Nile that included pygmies and strange religious practices. The watercolor illustrations, varying in size and irregular in shape, are literal extensions of the text. A brief biography of Wilde is appended. Though the winsome swallow and wistful prince have appeal, buy only where literary fairy tales have a ready audience. A more evocative interpretation can be found in Ed Young's version (S S, 1992). Carol Ann Wilson, Westfield Memorial Library, NJ Copyright 2002 Cahners Business Information, Inc. Pressestimmen 'The Puffin Classics series is a perfect marriage of the old and the new. Enjoy some of the best books from the past and find out why and how they inspired some of the best writers of the present. - Julia Eccleshare, LoveReading4kids' - Julia Eccleshare, LoveReading4kids
