Von Gene Stratton-Porter : The Harvester (Xist Classics) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Harvester (Xist Classics):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Read this book if you want a nice romance with herbalism.Von Ein KundeTake a walk on the wild side!Although not as famous as "A Girl of the Limberlost", I found "The Harvester" to be a better read. It is a gentle romance set in the same Limberlost forest locale, but a few years later, when the old growth forest is gone.The protagonist, the harvester of the title, is a farmer who has recreated the forest environment to grow a crop of medicinal herbs. His search for his

"dream girl" will touch you, at the same time it gives you a picture of the importance of medicinal herbs in the days before modern medicine. The book is a little sappy, but if you are in search of an old-fashioned romance, try "The Harvester." 0 von 0 Kunden fanden die folgende Rezension hilfreich. A hermit herbalist who searches and finds his true love Von jpwolf@serv.net or Su Linn This romance novel in my mother's girlhood collection was the first novel I ever read. The Harvester, a hermit who lives alone and supports himself by growing, harvesting and drying medicinal herbs, has vision of a wonderful woman. He sets out in search of her among the city streets by knocking on doors and selling flowers. He finds his girl, but she is traumatized and ill. The Harvester builds a home for her and establishes a relationship only to have her become so ill she almost dies. How he wins both her life and love make this story one you will never forget! If only Hollywood knew, we could have an academy award if this were ever made into a movie - it's a treasure! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Do you believe in magic and true love? Read this book. Von Acugal This is an old-fashioned tale of true love, purity, hard work and regeneration through oneness with nature. It's a beautiful story which I read every time I get stuck in bed sick. I give it to friends who get sick. Just reading it is healing. I hope you enjoy it.

Kurzbeschreibung A Gripping Romance in a Natural Setting To my way of thinking and working, the greatest service a piece of fiction can do any reader is to leave him with a higher ideal of life than he had when he began. If in one small degree it shows him where he can be gentler, saner, cleaner, kinder it is a wonder-working book. If it opens his eyes to one beauty in nature he never saw for himself and leads him one step toward the God of the Universe, it is a beneficial book Gene Stratton-Porter In Gene Stratton-Porter's novel, The Harvester, a noble and kind man harvests wild plants for medicines. When he meets the woman of his dreams, he pursues her with all his heart. This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents. This ebook also contains a bonus book club leadership guide and discussion questions. We hope you'll share this book with your friends, neighbors and colleagues and can't wait to hear what you have to say about it. Synopsis The Harvester sat in the hollow worn in the hewed log stoop by the feet of his father and mother and his own sturdier tread and rested his head against the casing of the cabin door when he gave the command.
