KurzbeschreibungWhen high school PE teacher and part time ghost hunter, Jorden Mason thought of approaching her ghost hunting partner and best friend Matt Connelly about taking their hunt overseas, never did she think he'd agree.

But when she steps foot on Isola Forte di Lorenzo it becomes all too real. Immediately they discover that they've found the real deal as activity abounds. Strange noises are nothing new to the team of ghost hunters, but when flying furniture, smashed equipment and mysterious gusts of wind threaten to push them out of buildings becomes routine, they start to question what they are dealing with. Unfortunately the realization comes too late to save one of their own. Now it has become a race against time to save themselves and the numerous souls trapped on the small island as the blood moon approaches and a demon is determined to deliver them all to hell.
