Von Virginia Henley : The Hawk and the Dove before purchasing it in order to gage whether or not it would be worth my time, and all praised The Hawk and the Dove:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.

Disapproved of the plot! Von Ein Kunde After reading 'Henley's 'Pirate and the Pagen, Raven and the Rose, and the Falcon and the Flower', I found that 'Hawk and Dove' scored the same as 'Dragon and Jewel' on my 'read again only if on a remote island and there are no natives to talk to'. Virginia Henley is one of my favorite authors! I loved all the characters in the three novels mentioned above, however, as I stated in reviewing 'Dragon and Jewel', I was disappointed by 'Henley', but alas, I own 'Pirate and Pagan (disapproved of the adultery plot), Raven and Rose, and Falcon and Flower', and they are my cherished 'dime store purchases'. Maybe I disliked this novel because at the time I was reading 'Hawk and the Dove', I kept thinking, if that was my husband cheating on me with me, I would slip poison in his wine goblet. 0 von 0 Kunden fanden die folgende Rezension hilfreich. One of the best in Historical Romance! Von Angela Sandoval This book will keep you turning the pages even when you should be doing the dishes! Virginia Henley's ability to create unforgettable characters is one of a kind. This book will not only make you hot for your husband again, but it will also give you a wonderful idea of what it was actually like living in Queen Elizabeth's Court. Only Virginia Henley can make me visualize everything I am reading with such detail; I can even smell the food on the table and feel the beautifully described materials of Sara's wardrobe on my skin. I recommend every one of Ms. Henely's books. If you like to read Historical Romance, you will be hooked on Henely! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Nothing special, nothing horrid. . . Von Bre Humphries (breehumphries@hotmail.com) I read an excerpt of this book in Joanne Redd's Chasing a Dream. I was young, impressionable and eager to see what happened to the promising heroine Sara Bishop (Sabre Wilde). It was a fast-paced read, but rather disjointed. Everything the heroine did seemed to be due to her desire to prove what a colossal brat she was, and the hero was worse! Henley, like almost all historical authors who have tried to tackle the personality of Elizabeth I, made her out to be a vain and vituperative woman. At least the historical inaccuracies were not as glaring in this book as they were in her others.

Kurzbeschreibung The Dove...She'd been bought for a strip of land, then abandoned: a bartered bride, married by proxy, determined to wreak revenge. As innocent Sara Bishop she'd paid dearly for freedom from her cruel, mocking family. As flame-haired, jade-eyed Sabre Wilde, she would scandalize Queen Elizabeth's court as she set out to seduce her unknown husband, become his mistress--and make him her slave. The Hawk...The Queen's favorite, called The Sea God, his white teeth flashed in his bronze face as his deep, virile voice boomed orders to his men. He branded Sabre with his searing kiss and his masterful touch, not even aware she was already his wife. Captain Shane Hawkhurst knew how to command, how to subdue and ravage an enemy, but was he prepared to be caught in passion's merciless snare by a fiery beauty who ruled his heart and inflamed his senses? From the Paperback edition. Pressestimmen "The best in romantic fiction!" -Rendezvous Kurzbeschreibung The Dove...She'd been bought for a strip of land, then abandoned: a bartered bride, married by proxy, determined to wreak revenge.
