Von Alyssa Rose Ivy : The Hazards of Skinny Dipping (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Hazards of Skinny Dipping (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. interessantVon emmadas buch beschreibt sehr gut das bei uns doch nicht so sehr bekannte system der fraternities und sororities. die beziehungsprobleme der heldin haben mir nicht so gut gefallen, aber das ist persnlicher geschmack.0 von 0 Kunden fanden die folgende Rezension hilfreich. Not bad!Von Tea PI really wanted to like this book, but it

didn't live up to my expectations. Juliet was a shallow character. And Dylan even more so. Where their attraction for each other came from, I didn't know. Their part of the story was just lacking of any kind of emotion. And then there was Kyle, Dylan's brother, whose role seemed to be important for the storyline, but he just disappeared after some time - or maybe the author just forgot about him? And there was also Dylan's friend Ryan - at least I think, they were friends - who was mean for no reason - or was he? But there was a turn in the book, when the real hero entered the picture: Reed Bryce. If there was more of him from the start I would've been happy. He really brought some emotions into the story and I came to like the book. That part of the story almost made 4 stars for me. Although, I won't read this one again, I think it was a nice little read for light entertainment with some good ideas that probably just needed some development. 0 von 0 Kunden fanden die folgende Rezension hilfreich. ok Von Claudia Dennissame story through the book. x x x x x x x x xxx x x x x x

Kurzbeschreibung This isn't a deep book about first loves or self-discovery. If you want a book like that, I'd be happy to recommend one, but I don't have that kind of story to tell. Instead my story is about rash decisions and finding out that your dream guy is bad in bed. It's the story of when I finally went skinny dipping, and how my life was never the same again. Oh, and it's also the story of my freshman year of college and realizing Mr. Right might have been there all along. *New Adult Romance* Other books in the Hazards Series- The Hazards of a One Night Stand- The Hazards of Sex on the Beach
