so swept up in this book that I want to read all of Ms. Jordans other books. This book was awesome! Not very many books make my heart physically ache but this one did. I felt so bad for Heather. How could she not love the hell out of Sloan. What a man. I did think that he was a huge jerk to her throughout the entire book and I think she should have let him sweat a little more before she went back to him but I understand why she had a hard time resisting him. I am very impressed with Nicole's writing. It is fast paced and she draws you in to a hot (and I mean hot!) luscious story. I can't wait to read the next one.1 von 1 Kunden fanden die folgende Rezension hilfreich. A beautiful storyVon Adrienne ByrdBeing a long time fan of Ms. Jordan's work, I wasn't surprised that this story was yet another hit in a long line of classics. There were minor parts or places that I missed the romance of it all. I definitely understood they lusted after each other--but hey good lust is hard to find as well. Keep up the Good work, Ms. Jordan.1 von 1 Kunden fanden die folgende Rezension hilfreich. THE BEST!!!!!!!!!!!!Von Ein KundeThis was the first Nicole Jordan book I've read.
