Von Douglas Kennedy : The Heat of Betrayal before purchasing it in order to gage whether or not it would be worth my time, and all praised The Heat of Betrayal:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Betrayal of the curious reader!Von Manfred HaasQuite uninspirational und unrealistic, that's what I think after being "done" with the book. Hysterical woman chases unfaithful and disloyal psycho husband all the way through Morocco. On her way she encounters even more shrewd situations and miraculously survices a rape in the desert showing off her

gratitude and her social superiority to the poor natives, just to find no trace of Paul (her husband) at all - that is, other than paranoid appearances of him occasionally flashing before her eyes! It's more or less in the row of Kennedy's previous writing performance providing an unsatisfying end of his stories. Though unlike in some of his earlier books "The heart of Betrayal" lacks a profound story.² von 3 Kunden fanden die folgende Rezension hilfreich. Exciting reading

Exciting book...as all Kennedy books are. From start to finish.....gripping story.....the excitement never stops....just when you think it has.....More drama!

Kurzbeschreibung
Robin knew Paul wasn't perfect. But he said they were so lucky to have found each other, and she believed it was true. In the heady strangeness of Morocco, he is everything she wants him to be: passionate, talented, knowledgeable. She is convinced that it is here she will finally become pregnant. But when Paul suddenly disappears, and Robin finds herself the prime suspect in the police inquiry, everything changes. As her understanding of the truth starts to unravel, Robin lurches from the crumbling art deco of Casablanca to the daunting Sahara, caught in an increasingly terrifying spiral from which there is no easy escape. With his acclaimed ability to write page-turners that also make you think, Douglas Kennedy takes the reader on a roller-coaster journey into a heart of darkness that asks the question: what would you do if your life depended on it? Kennedy is a complete genius when it comes to understanding the minds of stylish but troubled women.
