Ungeschicklichkeit den Erben eines Herzogtums kennen - sie fällt vielmehr in seine Arme. Das Problem ist nur, der Erbe ist der jüngere Bruder, der sich als Erbe ausgibt, Devon. Lord Phillip, der Erbe, hingegen ist kein so netter Mensch und so entsteht einige Verwirrung. Letztendlich finden sich die Liebenden und es gibt ein Happy End - das ich aber nicht verraten werde, aber jeder der mit dieser Art von Romanen vertraut ist, kann sich das Ende ohnehin denken, deshalb gibt es leider auch keine großen Überraschungen. Trotzdem eine gute Unterhaltung.

Kurzbeschreibung All of London is raving about the newly arrived American, Emilia Highhart. She has beauty, charm, wit, even a hint of the exotic. But unfortunately, grace is decidedly not one of her virtues. Staircases, doors, even floors have proven her enemies, often leaving Emilia prostrate and mortified in a pile of muslin. Nevertheless, at her first ball, her dance card soon fills with the names of highly suitable men. But Emilia's eyes are on just one man the one her aunt points out as the entirely unsuitable Lord Phillip. In fact, he isn't Lord Phillip. While Phillip, the heir, goes about spending his family's funds, his identical twin Devon, the spare, must attend society functions as Lord Phillip all because of a few blasted minutes age difference. Soon both twins are vying for Emilia. Under the not-so-watchful eye of Lady Palmerston, aunt and chaperone to the young lady, Emilia is unknowingly courted by two different men with the same face! But only one of them is the love of her life.
