**Von Catherine Coulter : The Heiress Bride: Bride Series (Sherbrooke)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Heiress Bride: Bride Series (Sherbrooke):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. The Heiress BrideVon nvvb@mindspring.comCoulter rounded out the Bride trilogy in a very good way. If you read the books in order, you have watched Sinjun grow. Now, in The Heiress Bride, she is all grown up and has fallen in love. Take a ride with Coulter on the rollercoaster of despair and delight that she has created for Sinjun. The bad, along with the good, makes this book a delightful, although emotionally draining, read that I will enjoy for many years to come.0 von 0 Kunden fanden die folgende Rezension hilfreich. the best romantic story i've ever readVon caps@pworld.net.phThe story is not only about romance but its also very funny, full of interesting people. Sinjun the heiress bride will definitely be one of your most favorite characters. She is very innocent and quite lovely, you may

think her to be a fragile little heiress but you'll be fooled by her appearance. And let's not forget her handsome husband whom was loved by everyone. Hope you will enjoy The Heiress as I enjoyed it. And don't forget The Hellion Bride and Sherbrooke Bride which I also bought after reading The Heiress bride. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Poor Sinjun is wasted here... Von Claudia Terrones I cannot believe this is the same girl from The Sherbrooke/Hellion Bride books. And why on earth does CC insist on tragedy after abuse after disaster for her heroines, I think I read three CC books in a row where the heroine miscarries/is abducted/is abused. And Colin? I don't think so. He leaves her alone with that witch and although he knows she is a virgin, he sure doesn't care, does he? Sinjun, my darling, you deserved better.

**Kurzbeschreibung** The third Bride novel is a charm from the #1 New York Times bestselling author. Sinjun Sherbrooke is bored with the London season, until she spies Colin Kinross across a crowded dance floor and offers to be his bride... The Sherbrooke series also includes The Sherbrooke Bride, The Hellion Bride, The Scottish Bride, Mad Jack, The Courtship, Pendragon, The Sherbrooke Twins, Lyon's Gate, Wizard's Daughter, and Prince of Ravenscar. From Publishers Weekly This byzantine conclusion to Coulter's Bride trilogy ( The Sherbrooke Bride ; The Hellion Bride ), set in 1807 Scotland and loaded with sex, splinters under the burden of its foolish and two-dimensional characters. Colin Kinross, seventh earl of Ashburnham, faces daunting problems: his castle is decaying, villainous clansmen are usurping his land and unmanageable debts keep mounting. But Joan "Sinjin" Sherbrooke, at 19 one of England's wealthiest women, has fallen in love with him and proposes a financially rewarding marriage. In order to escape Sinjin's two protective brothers, they elope to Colin's Scottish castle. There Colin presents Joan with two surly stepchildren and a pair of malicious sisters-in-law--it seems he has kept a previous marriage secret. Complications abound. An anonymous letter writer accuses Colin of throwing his first wife off a cliff--are murderous kinsmen seeking vengeance? Even ghosts are pressed to intervene at crucial moments as the disjointed plot veers out of control. Copyright 1992 Reed Business Information, Inc. **Pressestimmen** A good storyteller Coulter always keeps the pace brisk. Fort Worth Star-Telegram Ms. Coulter is a one-of-a-kind author who knows how to hook her readers and keep them coming back for more. The Best s Coulter is excellent at portraying the romantic tension between her heroes and heroines, and she manages to write explicitly but beautifully about sex as well as love. Milwaukee Journal Coulter instinctively feeds our desire to believe in knights in shining armor and everlasting love historical romance at its finest. BookReporter.com One of the genre's great storytellers. Kansas City Star One of the masters of the genre. The Newark Star-Ledger Catherine Coulter is one of the best authors of exciting thrillers writing today. Midwest Book
